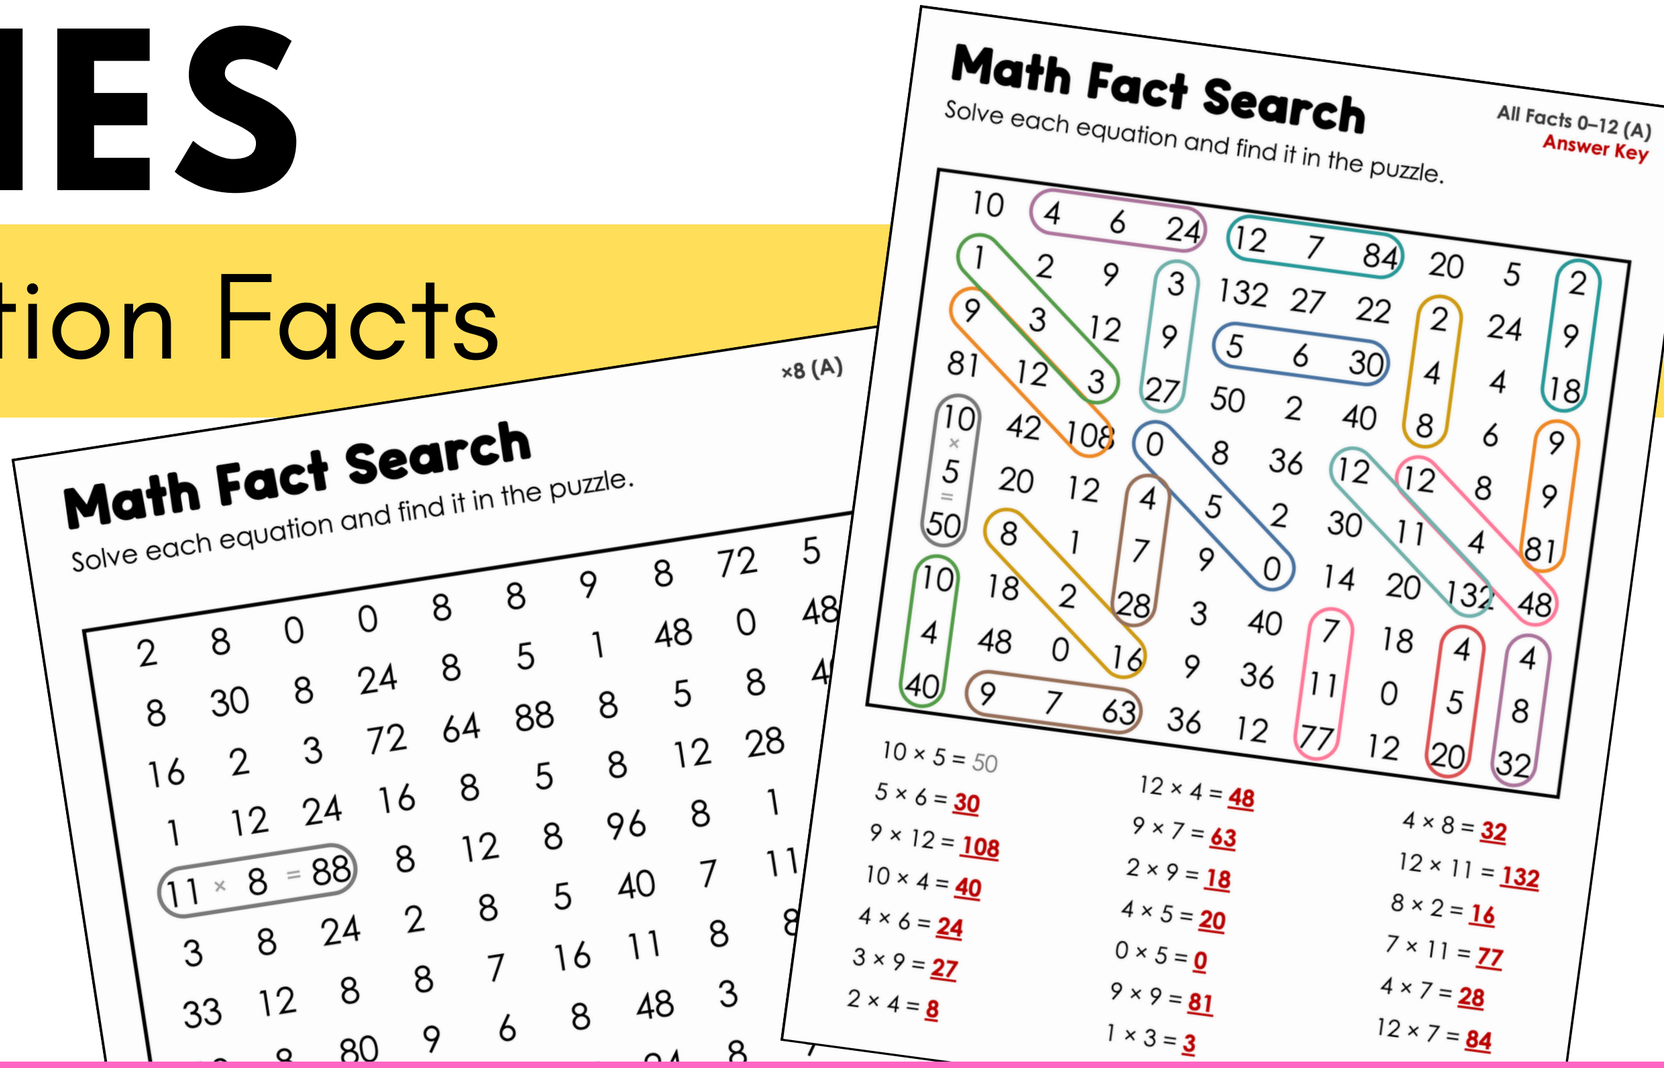
MATH FACT SEARCHES

Basic Multiplication Facts



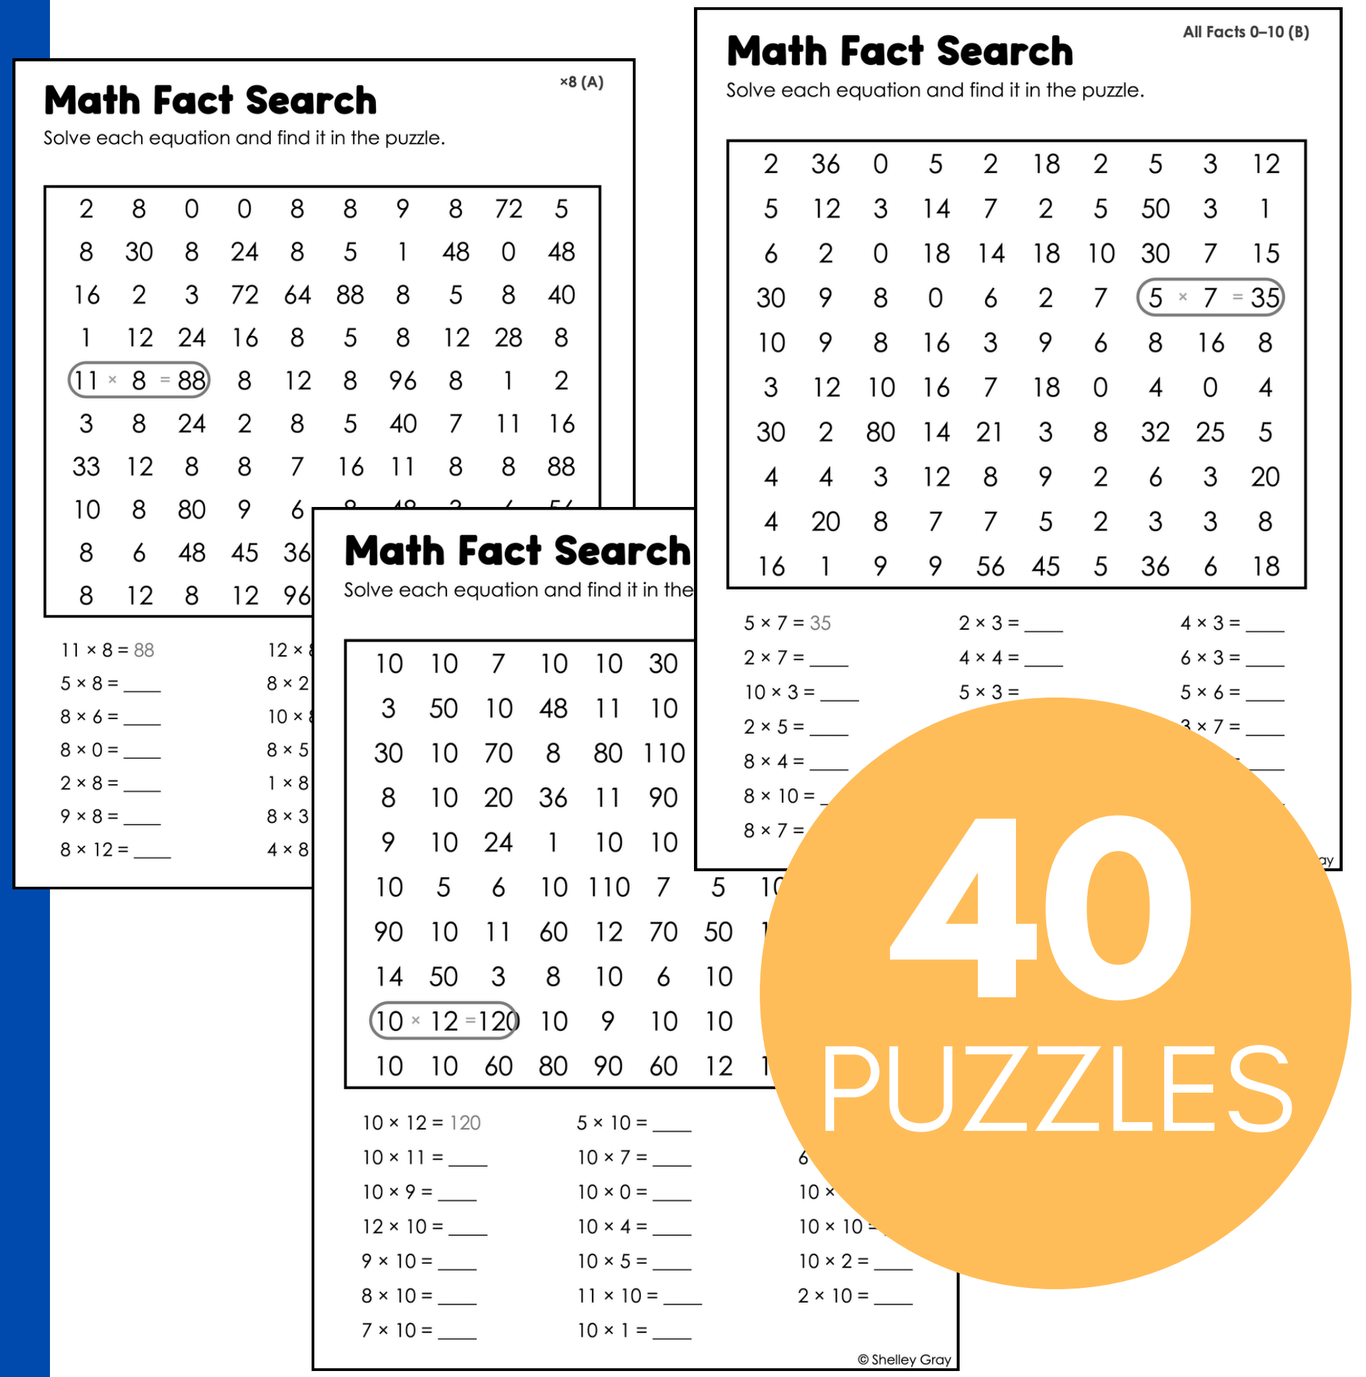
BUILD **FACT FLUENCY**

SHELLEY GRAY

A simple, no-prep way to build multiplication fact fluency

This set of multiplication math fact searches make the perfect center activity, early finisher activity, or math warm-up.

For each puzzle, students will solve each equation and then find it in the puzzle.



Differentiation Made Easy

The wide variety of puzzle options makes it easy to differentiate in your classroom.

Puzzles are included for individual sets of facts as well as related/derived facts.

You'll get 40 puzzles in all, plus answer keys.
