SUBTRACTION WITH
DECIMALS

LOGIC PROBLEMS

Find the value for each symbol.

$$\text{Rain Boot} + \text{Umbrella} = 7.$$

$$\text{Teapot} + \text{Umbrella} = 3.$$

$$\text{Umbrella} + \text{Umbrella} = 5.$$

7

SHELLEY GRAY

Find the value for each symbol.

$$1.6 - \text{Potted Plant} =$$

$$\text{Garden Hose} - \text{Potted Plant} =$$

$$\text{Bag of Compost} + \text{Garden Hose} =$$

10

Find the value for each symbol.

$$3.8 - \text{Leaf} = \text{Leaf}$$

$$\text{Ladybug} + \text{Leaf} = 4$$

$$\text{Grass} - \text{Ladybug} =$$

GRADES
4-6

Ready to
challenge

your students in a new way?

These Logic Puzzles will require
your students to use algebraic
thinking, providing a whole new
element of challenge!

Find the value for each symbol.

	+		=	7.2
	+		=	3
	+		=	5.4

7

Requires
critical
thinking!

Find the value for each symbol.

1.6	-		=	
	-		=	0.3

3

© Shelley Gray

Find the value for each symbol.

3.8	-		=	
	+		=	4.4
	-		=	6.6

This set includes
20 logic puzzles
that focus on addition and
subtraction with decimal numbers.
But don't be fooled! These puzzles
are trickier than they look!

A recording sheet is included to
make student organization simple.

Find the value for each symbol.

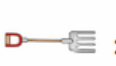

$$3.8 - \text{leaf} = \text{leaf}$$
$$\text{ladybug} + \text{leaf} = 4.4$$
$$\text{grass} - \text{ladybug} = 6.6$$

© Shelley Gray

Find the value for each symbol.

$$1.6 - \text{flower pot} = \text{flower pot}$$
$$\text{garden hose} - \text{flower pot} = 0.3$$
$$\text{compost} + \text{garden hose} = 8.3$$

Ideas for Use

Morning Tubs

Math Centers

Early Finisher Activity

Around the Room Gallery Walk

Small Group Intervention

Tip:

Let your students work in partners and listen to the amazing math conversation that occurs!

Find the value for each symbol.

$$1.6 - \text{🌻} = \text{🌻}$$

$$\text{🌿} - \text{🌻} = 0.3$$

$$\text{🌱} + \text{🌿} = 8.3$$

Along with the printable version, this resource also includes a Google Slides version – perfect for projecting in your classroom.

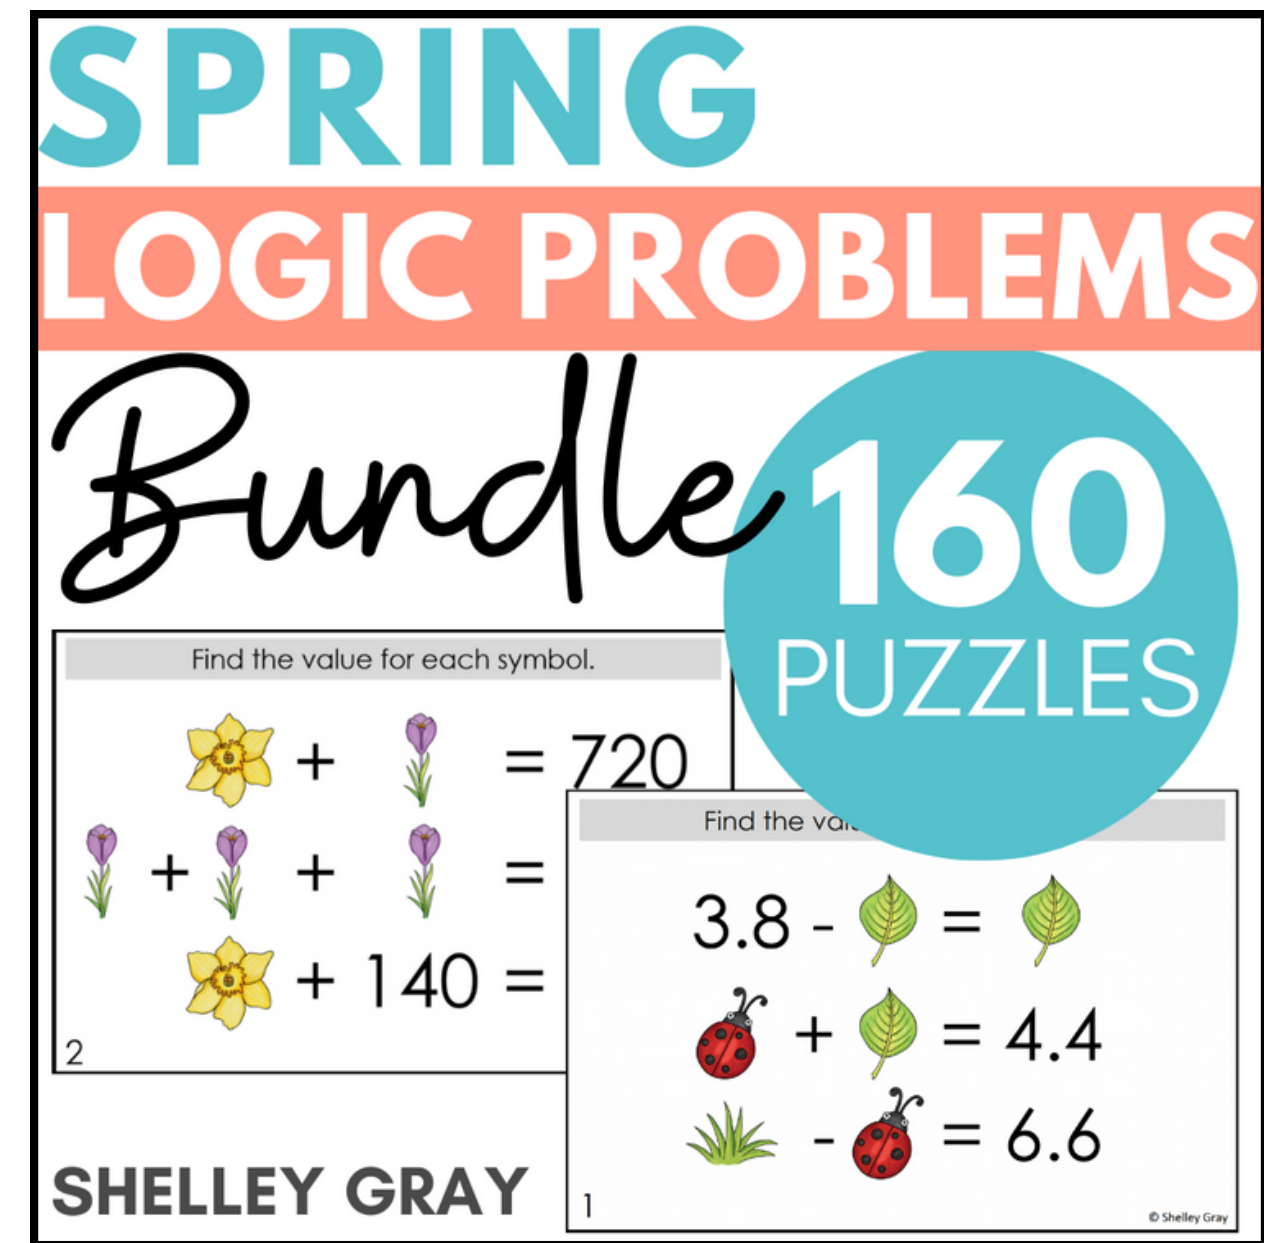

Use it as a math warm-up, daily challenge, or thinking task to promote deep and critical thinking.

Looking for a bigger bundle of puzzles?

Try using differentiated puzzles to provide a "just right" challenge for all your students.

This bundle includes 160 logic puzzles at 8 different levels!

Try letting students choose the set that challenges them perfectly to increase their metacognition and encourage them to take responsibility for their own learning!

Differentiate to all your students with the Spring Logic Puzzle Bundle [HERE](#).
