Earth Day version
of Math Conversations

Earth Day Math Conversations is designed to help your students:

build number sense

become strategic and flexible thinkers

boost math confidence

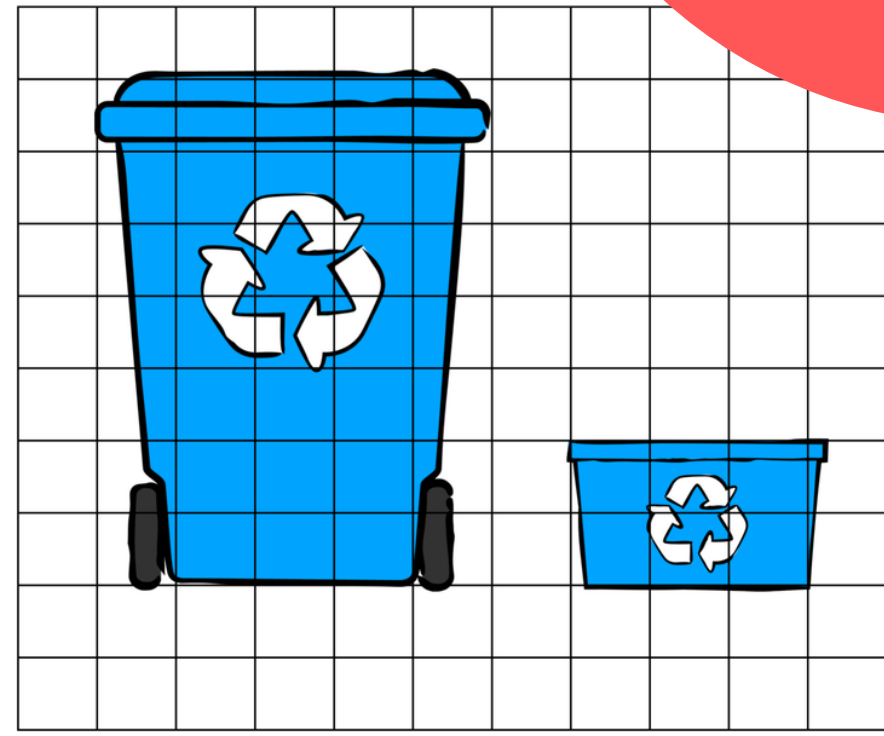

with a fun Earth Day theme that will keep students engaged all April long!

NO-PREP!

Estimate the area of each bin.
How did you estimate?

This resource includes **20 number talks** that reinforce flexible and strategic thinking, connections, and much more. The main goal is to get you and your students talking about math and realizing that math is not all about right answers – it's about thinking in different ways!

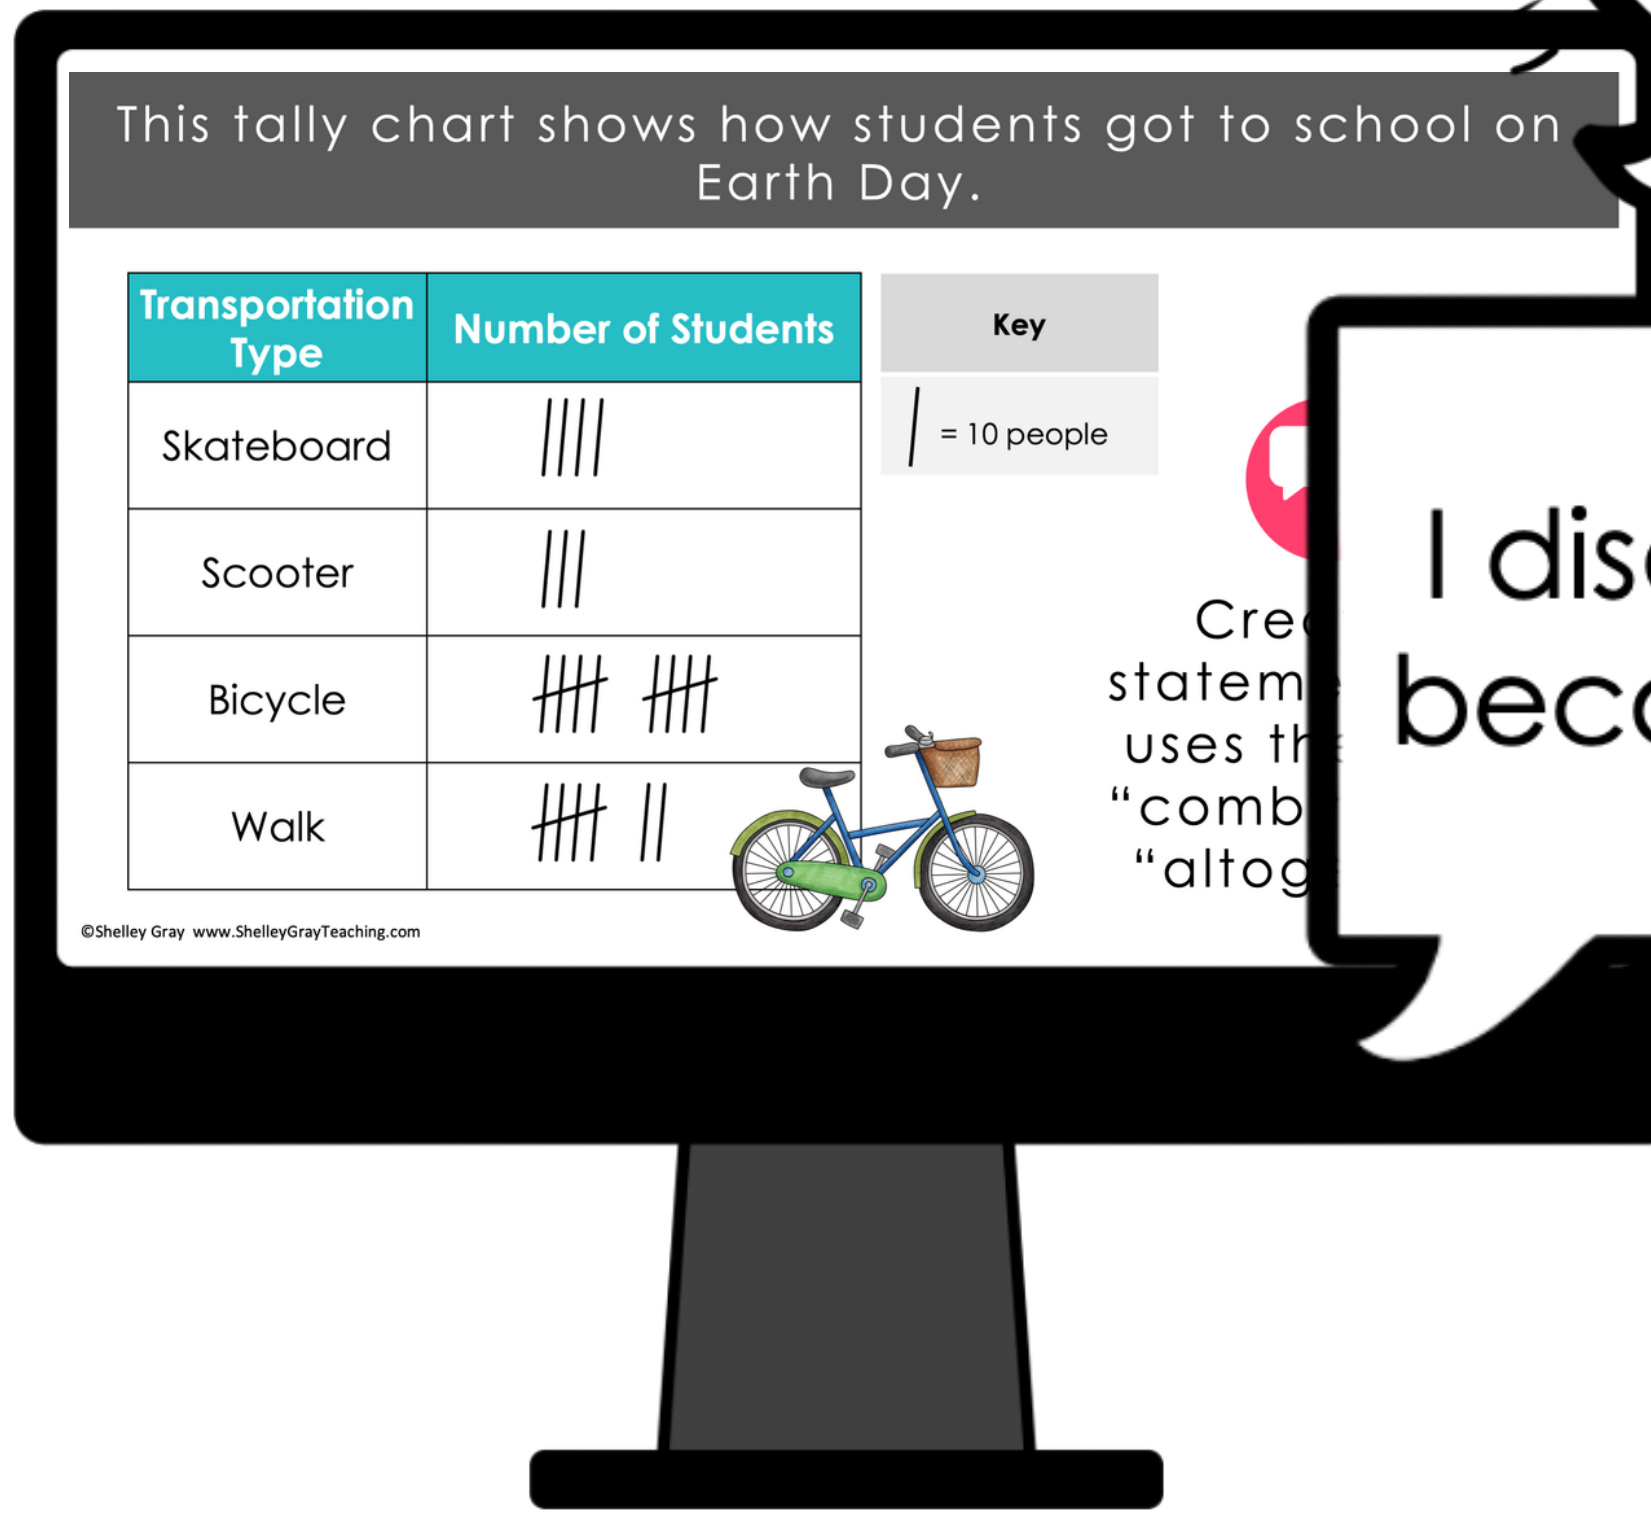

The slides are completely ready to go - **NO PREP!**

Just choose a slide and discuss as part of your daily math routine or number talk!
