

FRACTIONS AND DECIMALS TASK CARDS

SHELLEY
GRAY

Are you teaching
*fractions and
decimals?*

Visuals are an important part of building deep understanding of fractions and decimals. These task cards provide visual representations so students can see the connection between fractions and decimals.

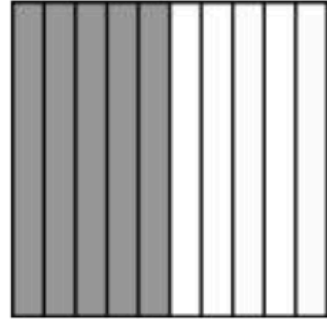

Find a common denominator and then add these fractions.

$$\frac{2}{10} + \frac{75}{100} =$$

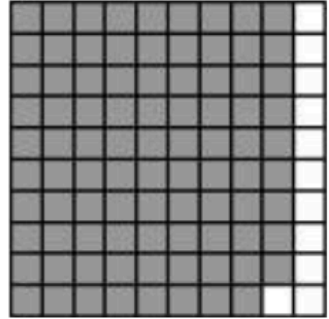

$\frac{19}{100} + \frac{7}{100}$

Represent each picture as a fraction, and as a decimal.

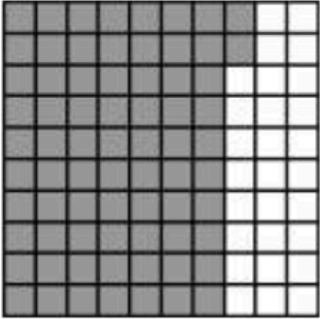

A

B

C

Fractions and Decimals Task Cards: Card #6

**24
