Dice Patterns • Ten Frames • Word Form  
Finger Representations • Tally Marks

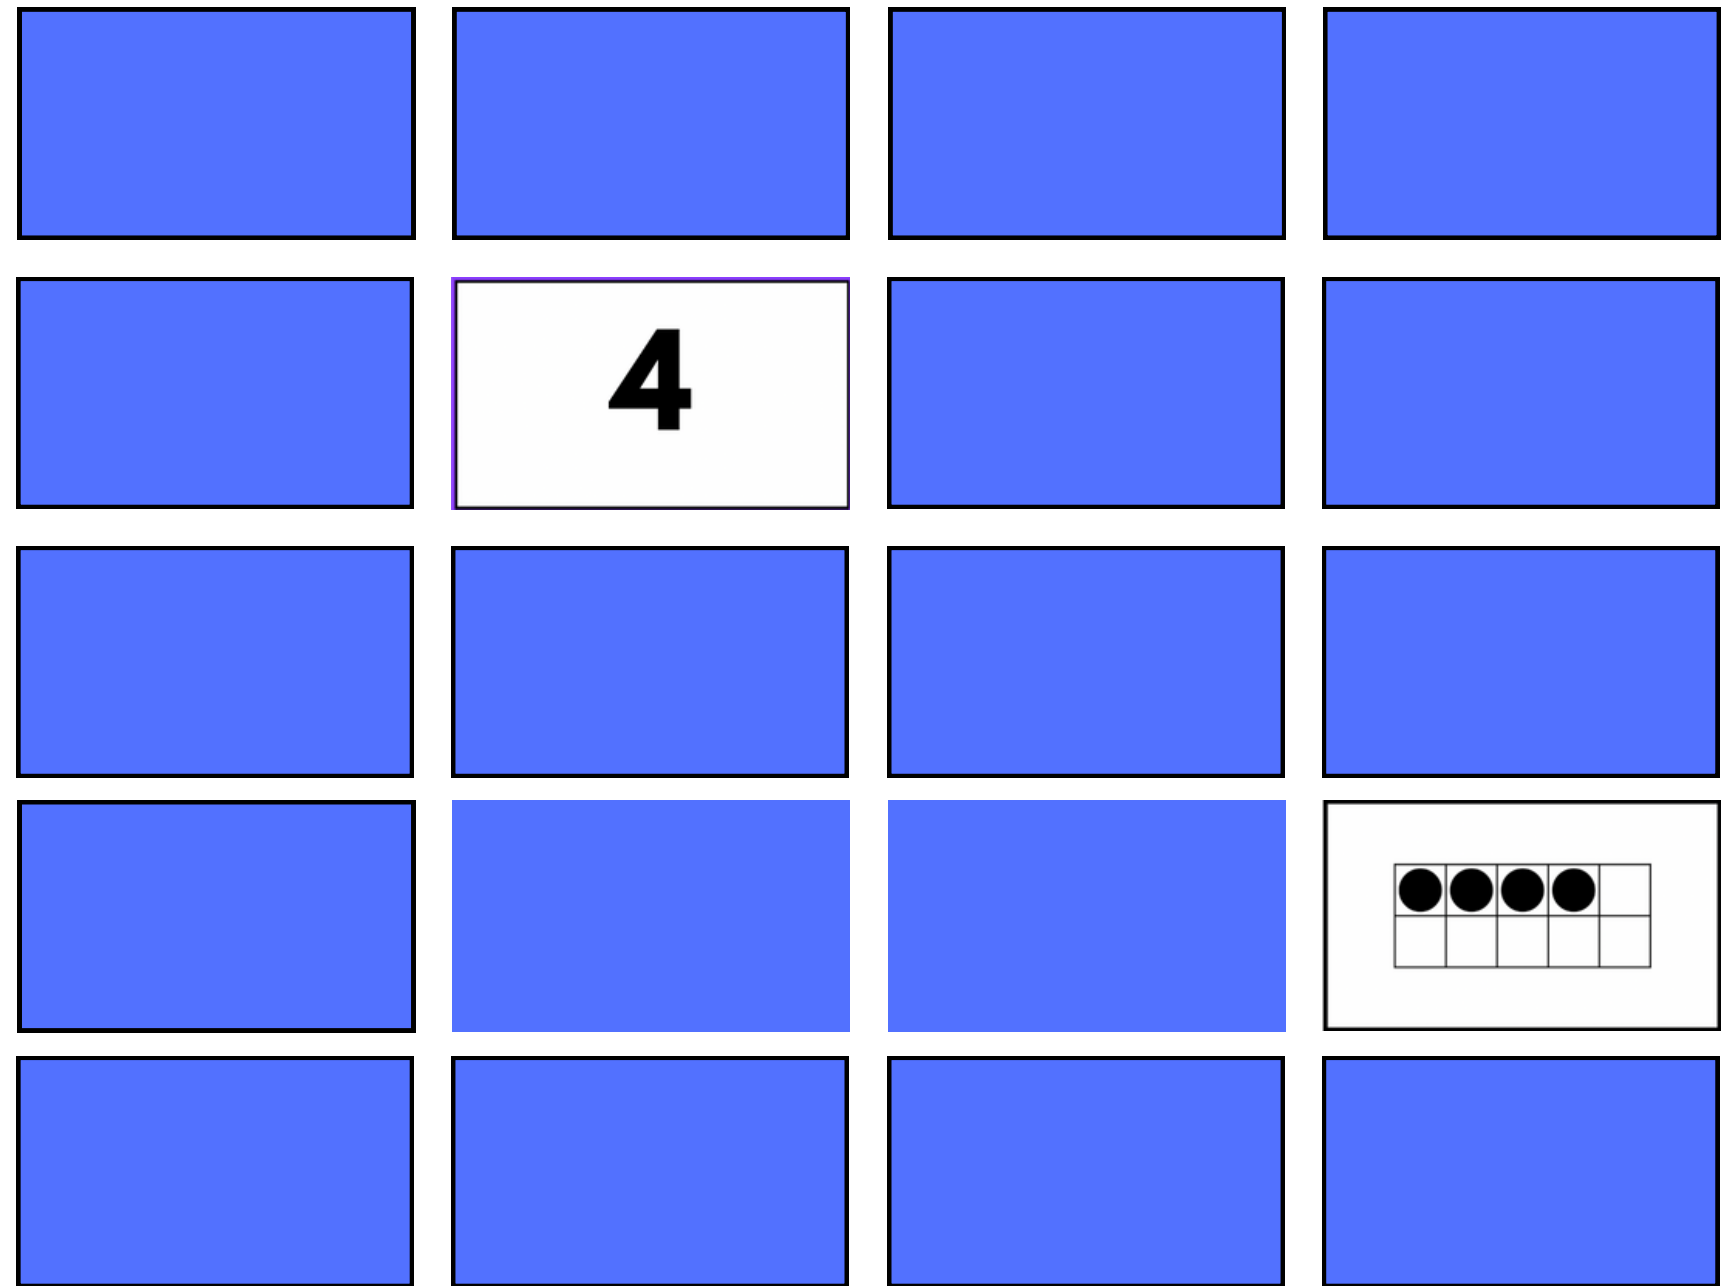

**SHELLEY GRAY**

Looking for some simple,  
independent center activities?

These memory games  
reinforce number recognition  
along with multiple  
representations of numbers  
1-20.

Each game contains 20  
cards (10 matches).  
Students can play  
alone, with a partner, or  
even with a group of 3!

Cards for nine different  
games are included.
