

# PLACE VALUE TASK CARDS

SHELLEY  
GRAY

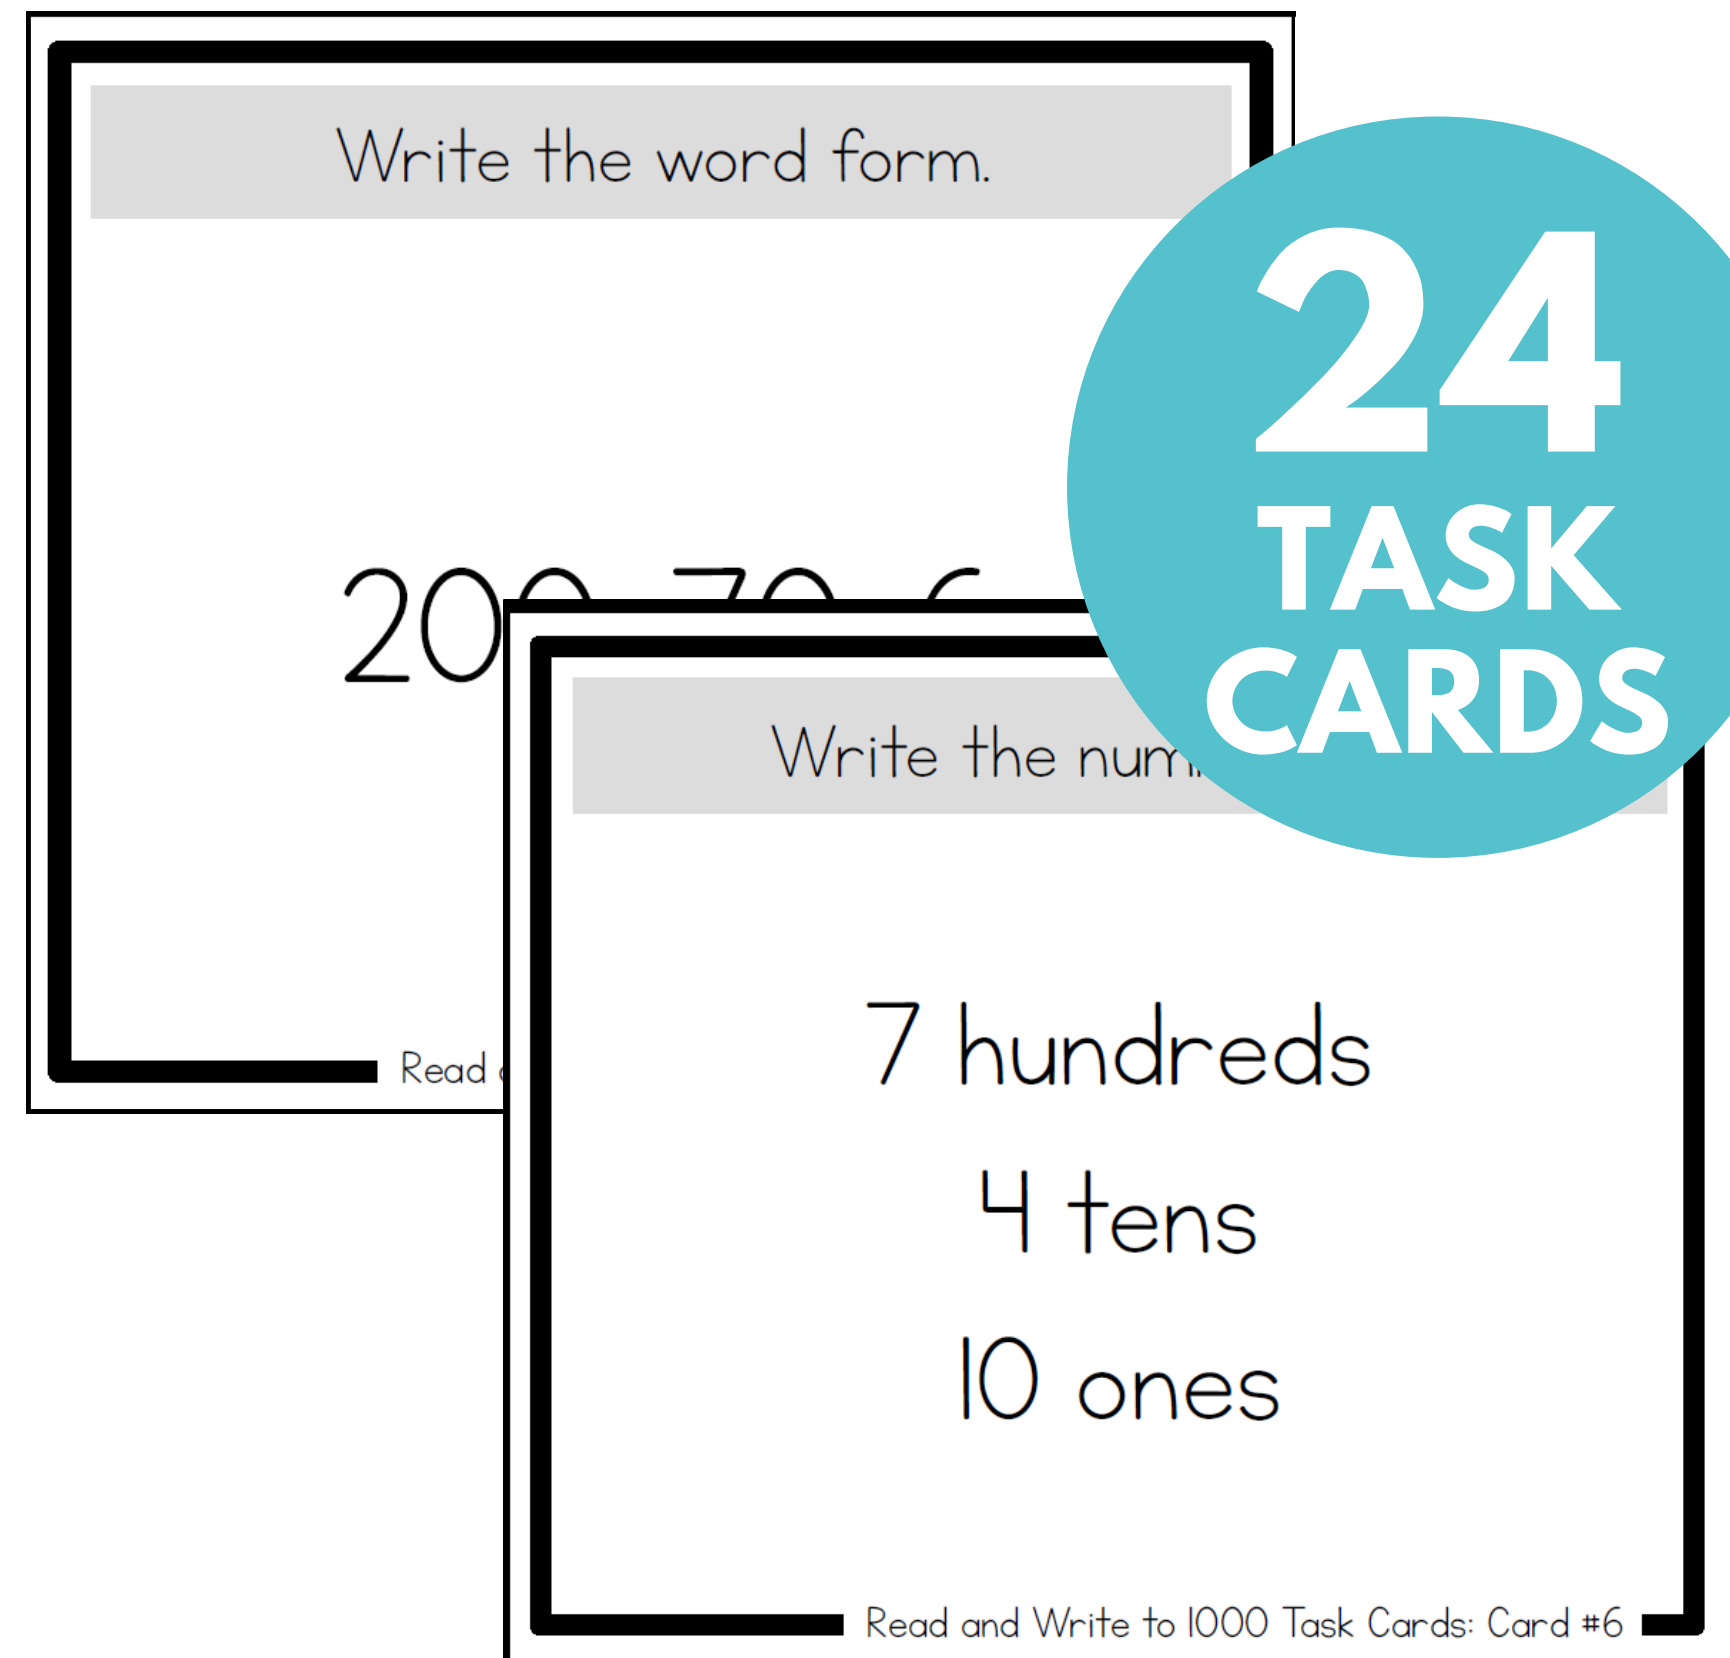

READ AND WRITE NUMBERS TO 1,000

Are you teaching

*place value  
concepts?*

These task cards reinforce  
reading and writing numbers to  
1,000, helping students recognize  
that numbers can be represented  
in different ways.

These task cards are a great way to spiral math concepts throughout the year. Use them in small groups or at an independent math station.

Here's what's included:

24 task cards

recording sheets to help students stay organized

6 bonus task cards to work with numbers to 1,200
