Left-to-Right Addition Task Cards

Which one has the lowest sum?

$431+32$

$78+21$

$55+33$

About this Resource

This resource includes 24 task cards to reinforce left-to-right addition with sums to 999. Students will practice left to right addition through problem solving, missing numbers, number charts, and more.

Are you looking for even more support with teaching addition strategies in your classroom? The Addition Station will transform your teaching, allowing your students to master addition facts and strategies at their own pace. Find the Addition Station here:
