About this Resource

This resource includes nine different bulletin board activities for the beginning of the year. Each set includes the same writing template with a different saying.

You may choose to have all students complete the same activity...

...or allow students to choose which one they'd like to complete.

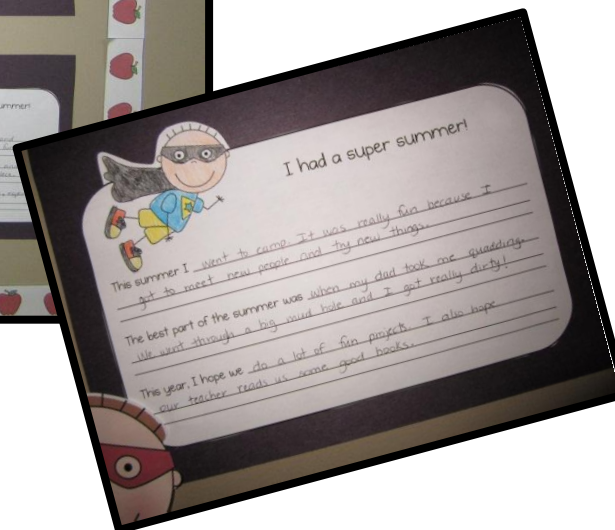

Either way you will end up with a colorful, inviting bulletin board for your classroom or the hallway!

The following activities are included:

"I had a super summer!"

My summer
was a ball!

My summer was a ball!

This summer I visited my grandparents, went and made
ice-cream cones and played some fun games outside.

The best part of the summer was when my cousins and I
built a fort. It was our secret hiding place.

This year I hope we get to learn about animals, especially
endangered animals.

My summer was a ball!

This summer I went to camp. It was really fun because
I got to meet new people and try new things.

The best part of the summer was when my dad took me quadding
and went through a big mud hole and I got really dirty!

This year I hope we do a lot of fun projects. I also hope
our teacher reads us some good books.

My summer was a ball!

This summer I went on a trip to Disney World. I went on
all the cool rides and got my picture taken with all
of the Disney characters.

The best part of the summer was when I got my picture taken
with Mickey Mouse. He was really funny.

This year I hope we get to go outside a lot. I love playing
outside.

My summer was a ball!

This summer I started to go back with my cousins and got
to drink it in the lake pool.

The best part of the summer was when my family
at the park. We had a picnic and we played all the
games after the picnic.

This year I hope we get to do more and better
things that I want to share my friends.

Or you can allow students to choose between the various activities, creating a mixed-up bulletin board!

For each set, there is a bulletin board title,
a decorative picture to print & laminate
and the student writing template.
