**TEACHING IN THE
EARLY YEARS**

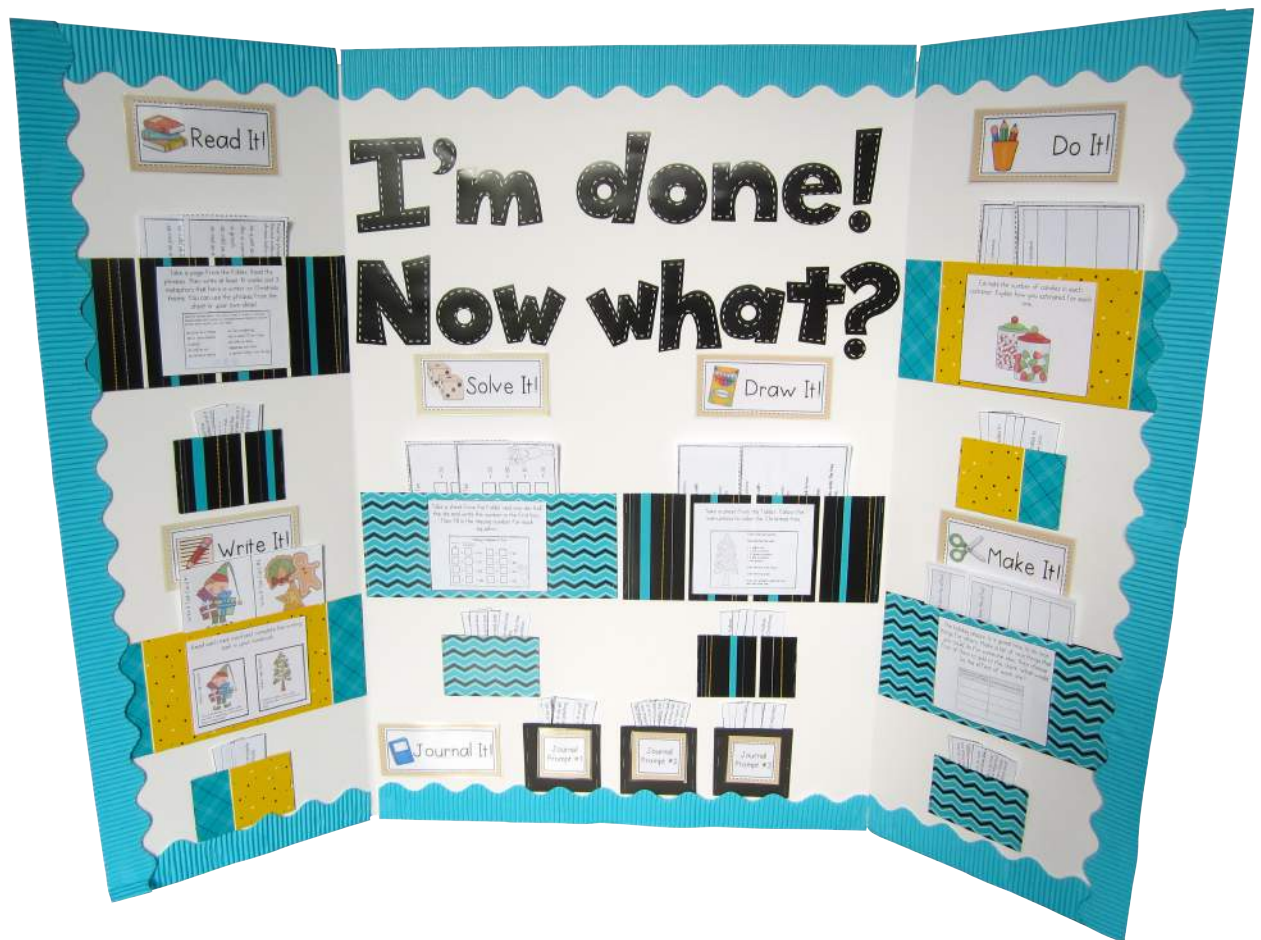

by Shelley Gray

About This Resource:

[Christmas Activities for the Early Finisher Board](#) is an accompaniment to The Early Finisher Board. In the weeks surrounding Christmas, use these activities to add some holiday flare to your classroom Early Finisher Board!

Even if you have not purchased the [Early Finisher Board for Grades 1-4 or Grades 5-6](#), you can still use these activities in your classroom to add Christmas fun to your Math and Language Arts classes!

Hope you enjoy!

How To Use This Resource:

This resource is divided into the same seven sections that your Early Finisher Board utilizes: **Read It**, **Write It**, **Solve It**, **Draw It**, **Do It**, **Make It** and **Journal It**.

In each section, you will find **two or three** activities to choose from. Based on the needs of your classroom and the abilities of your students, choose one activity from each section to display on your Early Finisher Board during the weeks surrounding Christmas.

For example, in the "Read It!" section, you will find the following activities:

Read the song. Point to the words as you read. Then draw a picture to go along with it.

Jingle bells, Jingle bells,
Jingle all the way.
Oh, what fun it is to ride
In a one-horse open sleigh.

Draw a picture.

Take a page from the folder. Read the phrases. Then write at least 10 similes and 3 metaphors that have a winter or Christmas theme. You can use the phrases from the sheet or your own ideas!

Read the phrases below. Then write at least 10 winter or Christmas-themed similes and 3 winter or Christmas-themed metaphors using the phrases below and/or your own ideas.

...as quiet as a mouse	...as fast as lightning
...like a warm blanket	...like a castle fit for a king
...a <u>grinch</u>	...as white as snow
...as cold as ice	...happiness and cheer
...as red as a cherry	...a sparkle falling from the sky

Simply choose the activity that best suits your students and place it in the "Read It" section of your Early Finisher Board! Repeat this process for each section.

Don't have an Early Finisher Board?

Even if you don't have an Early Finisher Board set up in your classroom, you can still use all of the activities in this resource as work station activities, partner activities, etc.
