TASK
CARDS

Ready to add some

low-prep

activities to your math centers
this December?

Simply laminate the task cards
and make copies of the
recording sheets for your
students!

expensive

Easy to
prep!

This set includes
24 task cards

to practice working with money,
addition, and subtraction.

Choose from two different
versions of the price list to provide
differentiation!

A recording sheet is included to
help students stay organized.

 **CHRISTMAS TOY STORE RECORDING SHEET** 

Complete each task below.
