48
TASK
CARDS

Ready to add some
low-prep
activities to your math centers
this December?

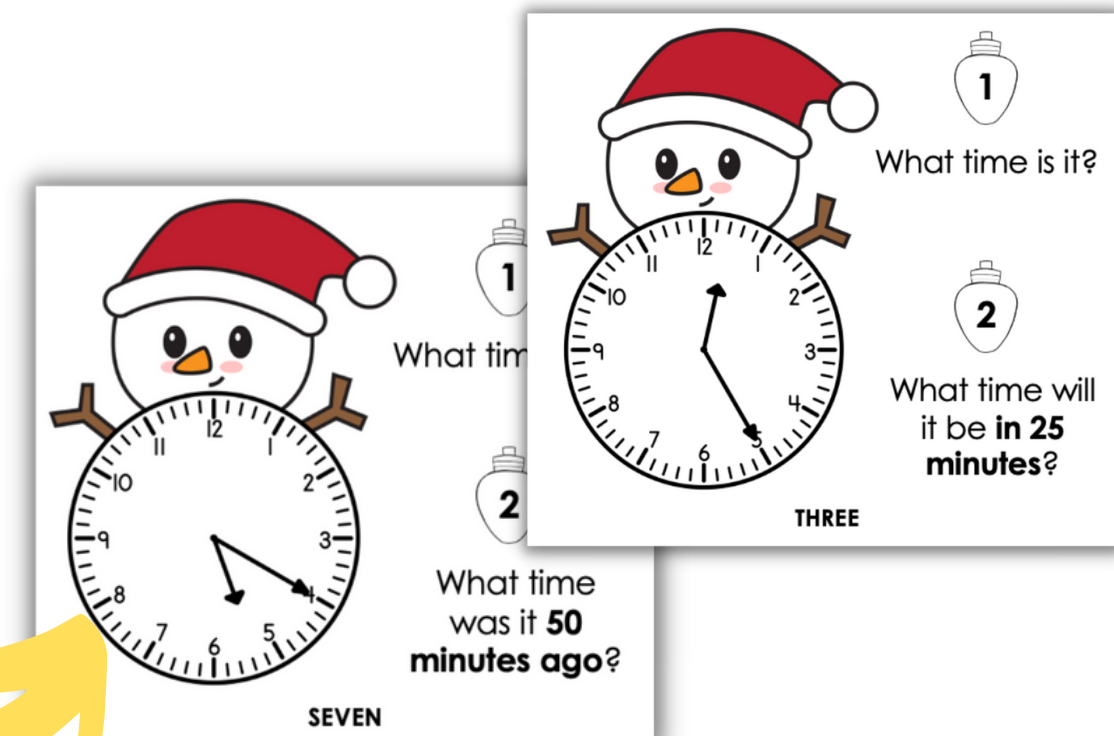

Simply laminate the task cards
and make copies of the
recording sheets for your
students!

**Quarter hours only
(24 task cards)**

**TWO
VERSIONS**

**Time to 5 minutes
(24 task cards)**

This set includes
48 task cards

to practice working with time and elapsed time.

Choose from two different sets of task cards to provide differentiation – time to quarter hours or time to five minutes!

A recording sheet is included to help students stay organized.
