

The
**EARLY FINISHER
BOARD**

{The Complete 40 Weeks}

Created by Shelley Gray

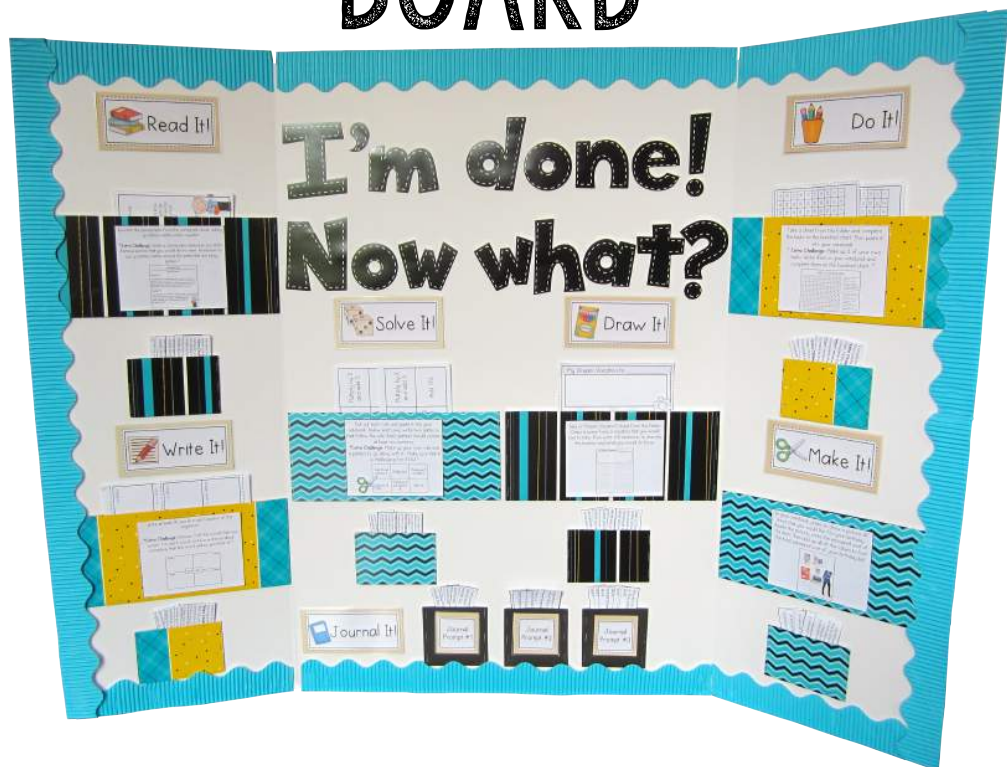

Would you like to fully *engage* your early finishers, rather than telling them to read a book or finish their homework?

Would you like to *motivate* your students to finish their assignments?

Would you enjoy seeing your early finishers *on-task*, completing *curriculum-related* activities when they are finished their work?

Introducing...

THE EARLY FINISHER BOARD

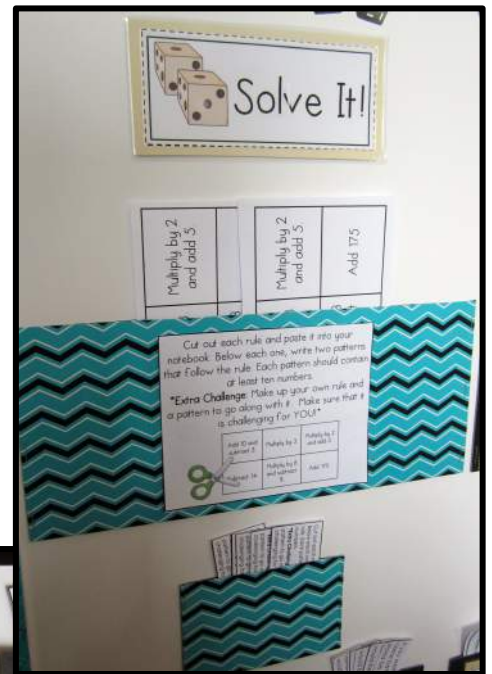

The Early Finisher Board includes seven sections: **Read It**, **Write It**, **Solve It**, **Draw It**, **Make It**, **Do It**, and **Journal It**. Each section contains a fun, curriculum-related activity to engage your early finishers. The tasks are switched out every two weeks so that your students always have new tasks to choose from!

The Early Finisher Board is designed to promote:

- ✓ organization
- ✓ freedom to choose based on personal preferences
- ✓ differentiation based on learning styles and interests
- ✓ success for a wide variety of ability levels within your diverse classroom.
- ✓ student engagement
- ✓ pride and excitement

This tool truly has the potential to transform your classroom.

Thousands of people around the world are using the Early Finisher Board with huge success! Here's what they are saying:

"Without a doubt, the best thing I have purchased from TpT -- no lie. I actually cried when I saw the QUALITY of the tasks. There is NO busywork at all in this packet. Every task is aligned with the Common Core and I have found them to be challenging enough to keep my fast students engaged and happy, and fun enough to make others want to finish their work faster to be able to participate. The quiet engagement of my students makes this product priceless -- a bargain at TWICE the price. Thank you, thank you, THANK YOU!!!!"

-Kathleen L.

"I am so pleased with how well my students are using this board. They love the choices and enjoy putting all their work in a journal. I just collect them once a week or so, to see what the students have been doing. It has been a hit in my class. My principal came into my room the other day and said, "What a clever idea." Thanks so much."

-Anonymous

"So incredibly easy to set up and put into action in the classroom. Thanks so much for such a great resource!"

-Stacy T.

"This is completely worth the time and money! I can't imagine my year without it! No more dreaded, "I'm done, now what?" AND my principal even observed my students and noted how they were not just simply doing busy work once finished with their classwork."

-Whitney C.

"Holy wow. In my first formal observation my principal told me that I did a great job differentiating for my ELL and my SPeD kiddos, but need to work on my GT kids. Then I find this product. I thought that I could buy this and find a FEW things that I could provide my students. I was so pleasantly surprised to find that I can use EVERYTHING! I am so excited to add this to my classroom tomorrow morning I can't hardly stand it! Ms. Gray has thought of everything Marzano would have wanted us to think about...and [if you want] to implement anything mid year...this is the product to implement! KUDOS to an amazing product!"

-Lessons with Coffee

"I love my Early Finishers board. It is the one thing that I am keeping on top of this year and encouraging the students to use as "free time" is not productive in my classroom. I love all the seasonal add-ons that come around too. Many thanks."

-Kathleen G.

"Seriously saved my life! My students loved the activities, loved going to the board, and loved that they always had SO many options! Thank you SO much!!"

-Allison S.

"A+++ I think this is the best thing I've found on this site and I've found some really wonderful things. This has saved my life, you have no idea! Or maybe you do :) Wonderful. Thank you."

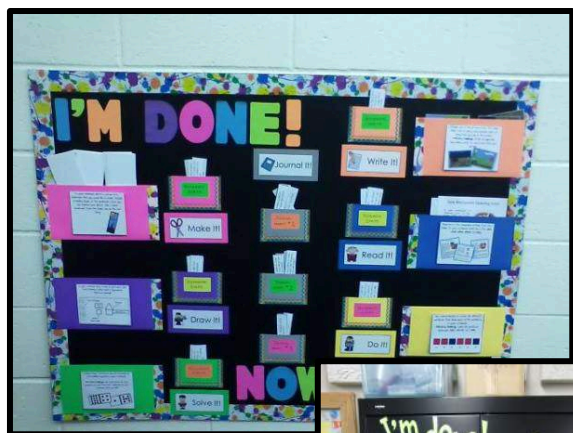

-Anonymous

"I have used this for two years now, and my students love it! I love how all of the tasks are not "busy" work and my kids look forward to finishing."

-Sheryl R.

The versatility of this resource is one of its greatest benefits. You may choose to use a tri-fold board, bulletin board, a cabinet, binder, or even folders to set up your Early Finisher Board!

You might also use it as morning work or a work station activity.

Can't go another minute without this resource? Buy it here for the price of just a few cups of coffee! You won't regret it!
