This special combo pack includes three gallery walks to reinforce number skills in your classroom! Students will practice 10 more 10 less, 20 more 20 less and 100 more 100 less. Each gallery walk is designed to integrate other number sense concepts such as ten frames, equations, tally marks, base 10 blocks, number lines, numerals, number words, dice patterns and more. Engage your students, impress your administration, and make learning fun!

Please continue reading for full details on each individual gallery walk.

The 10 More, 10 Less Gallery Walk includes:

two levels of gallery walk cards that will reinforce the ten more, ten less concept in your classroom. Level One includes numbers from 1-20 and Level 2 includes numbers from 1 to 100. Each level contains 25 gallery walk cards.

Plus recording sheets and self-checking answer keys!

A gallery walk is an engaging way to integrate hands-on learning into your classroom! Make learning fun {and impress your administration while you're at it}!

The 20 More, 20 Less Gallery Walk includes...

gallery walk materials that will reinforce basic number skills! For your convenience, this gallery walk is included in two levels: numbers to 50 and numbers to 100. Each level contains 25 gallery walk cards.

The image displays several gallery walk cards. Each card is framed with a dashed border and contains a math problem. The cards are:
