About

One of the most effective ways to ensure that you get through the curriculum is to integrate it. But sometimes integrating can take a lot of planning and preparation. These “Multi-Task Cards” are designed to make that process easier for you! All you need to do to prepare these work stations is print the cards, fasten them to a file folder and laminate so that it will last for years to come. Photocopy the activity sheets and you have created an instant math center that will reinforce several different curriculum-related skills from math and language arts!

This Multi-Task Card bundle includes THREE sets of multi-task cards. Each set comes with twelve eye-catching cards for the file folder as well as seven activities that can be completed using the cards. Hands up if you love instant math centers!

This bundle includes:

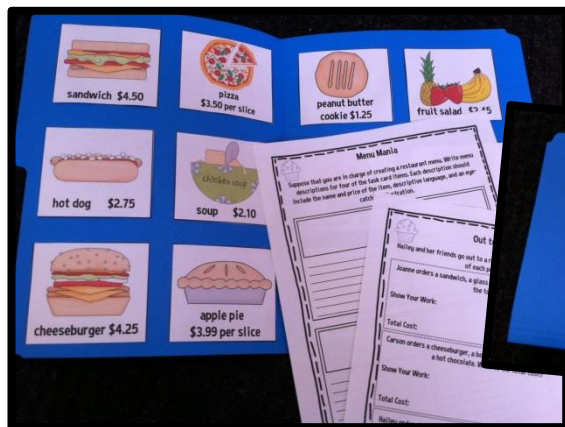

- Springtime Multi-Task Cards {and accompanying activities}
- Restaurant Multi-Task Cards {and accompanying activities}
- Compound Words Multi-Task Cards {and accompanying activities}
