PLACE VALUE Task Cards: READ AND WRITE NUMBERS TO 1000

Includes base 10 and number names

Created by Shelley Gray

About this Resource

This resource includes 24 task cards to reinforce reading and writing numbers to 1000.

Students will not only work with word and number forms, but they will also work with converting from base 10 representations and expanded form to word/number form as well.

If your curriculum expects students to work with numbers to 1200, I have included 6 bonus task cards that you can use. You'll find them near the end of this file.
