Here's what you can expect inside this
special

Valentine's version
of Math Conversations

Valentine's Math Conversations
is designed to help your
students:

build number sense

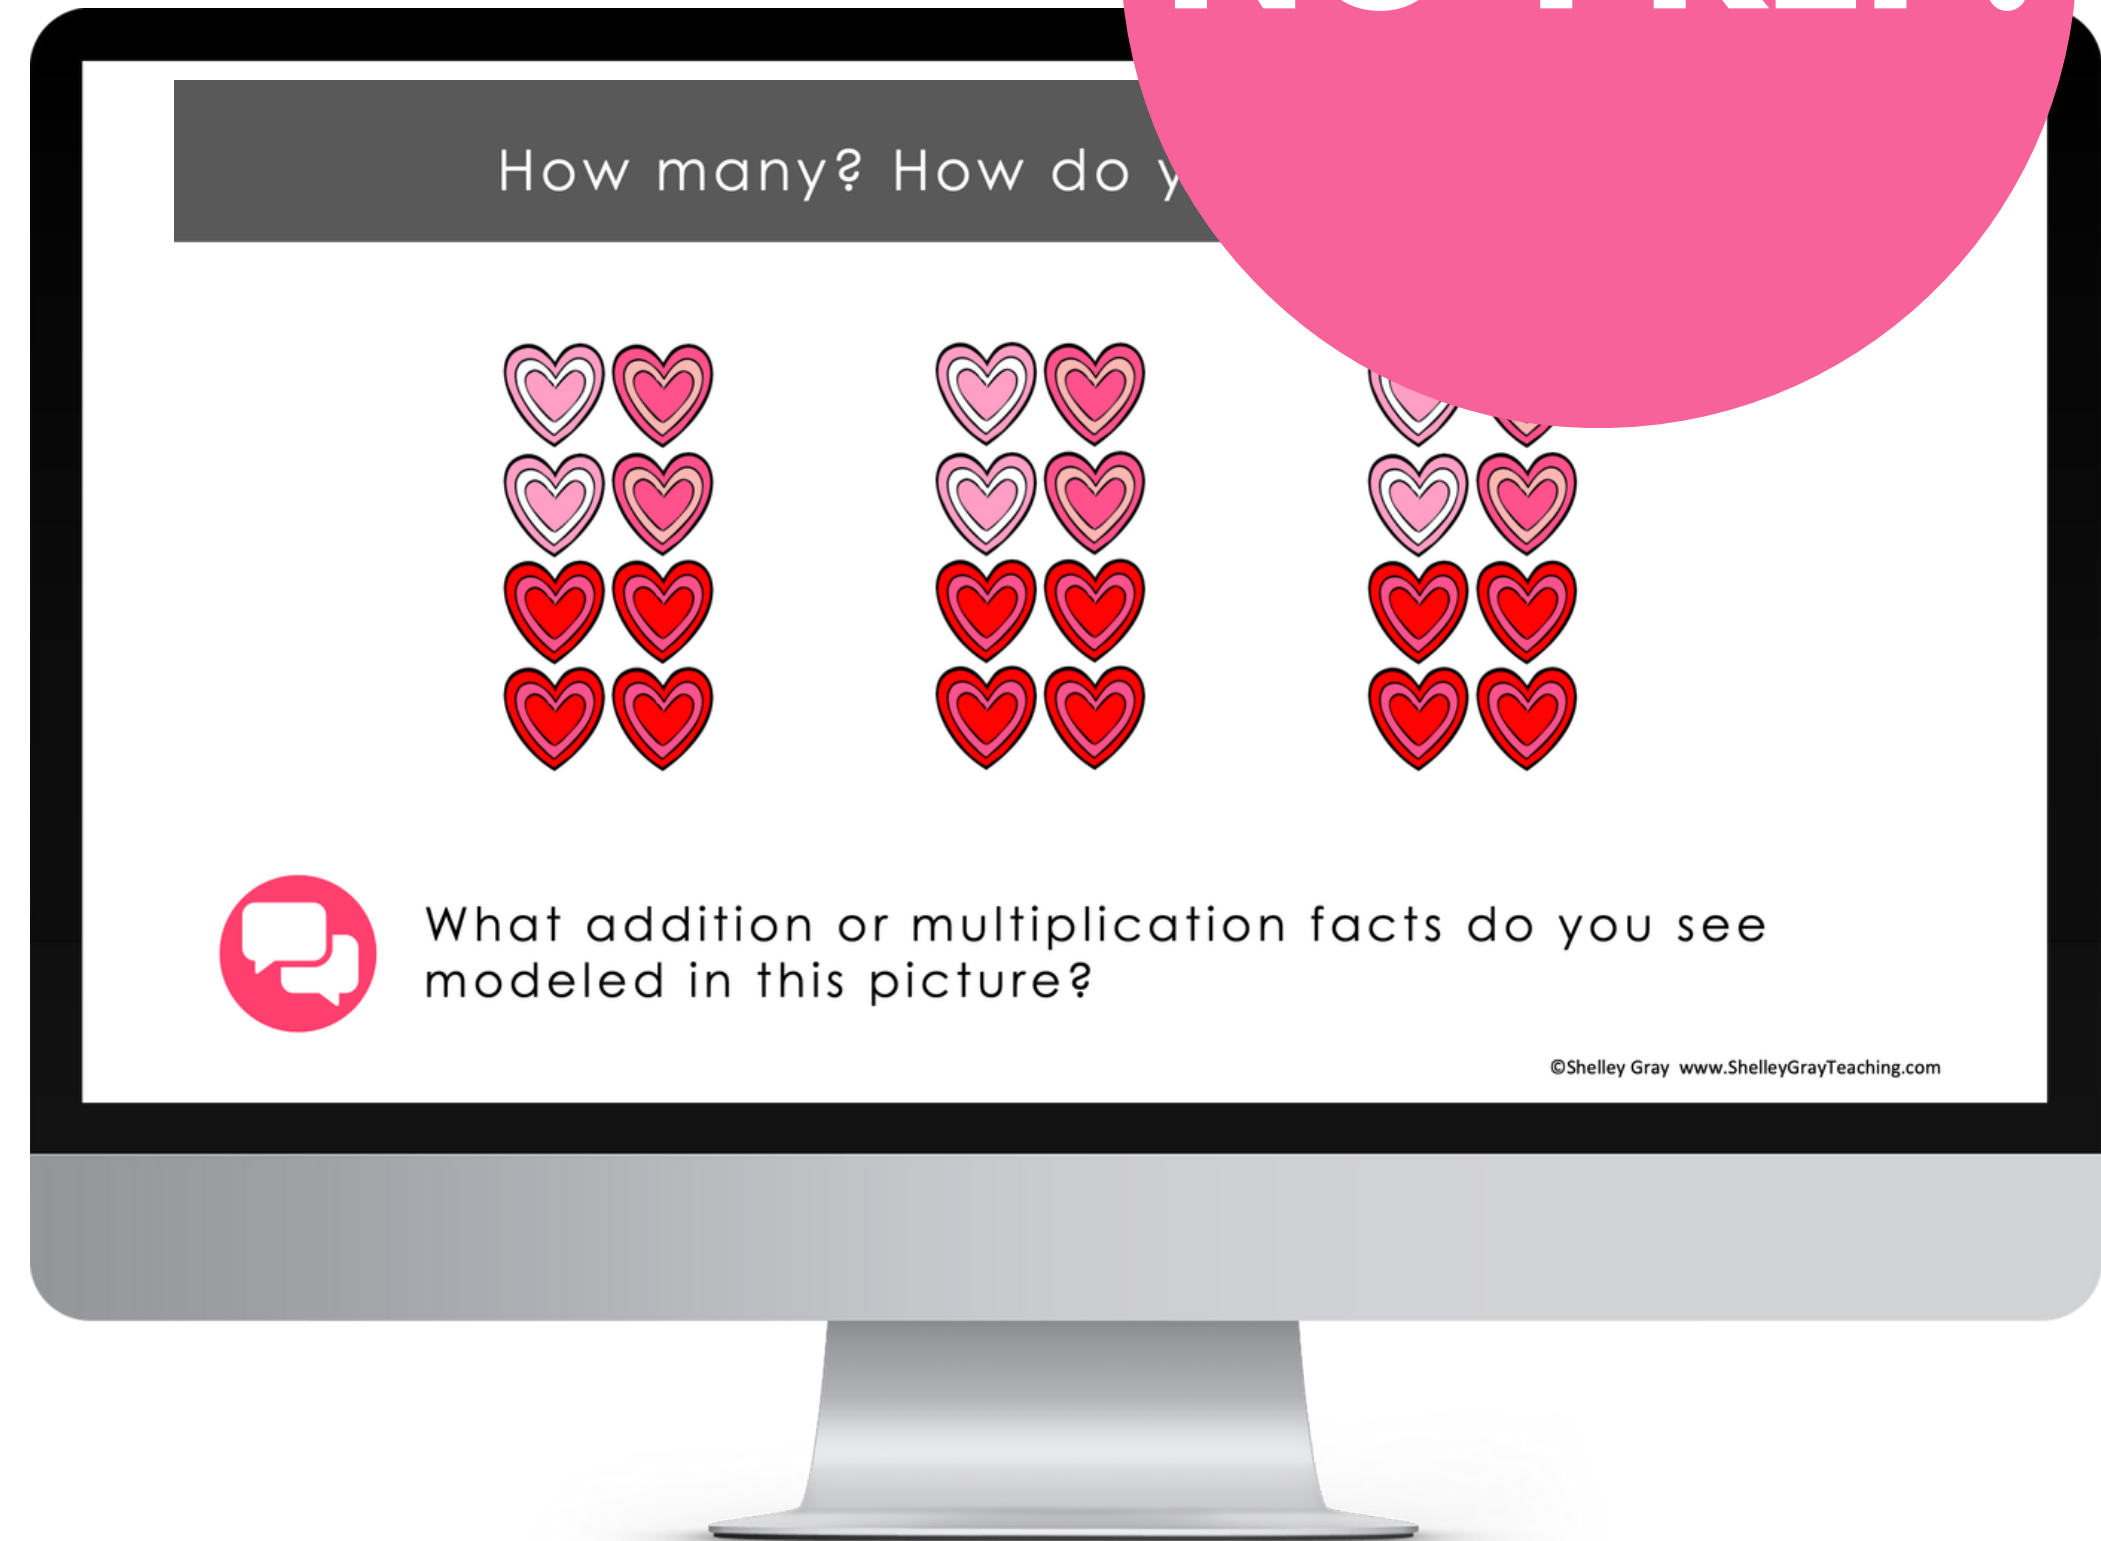

**become strategic and flexible
thinkers**

boost math confidence

**with a fun Valentine's theme that will
keep students engaged all February
long!**

NO-PREP!

This resource includes **20 number talks** that reinforce flexible and strategic thinking, connections, and much more. The main goal is to get you and your students talking about math and realizing that math is not all about right answers – it's about **thinking in different ways!**

The slides are completely ready to go - **NO PREP!**

Just choose a slide and discuss as part of your daily math routine or number talk this February!

Ready to
**take the
guesswork
out
of planning
your
number
talk routine
this
February?**

Suzanne is making bags of candy for a Valentine's party.

 What do you know about the bags of candy?
do you wonder?

Now what do you know?
