**Valentine's version**

*of Math Conversations*

**Valentine's Math Conversations**  
is designed to help your  
students:

**build number sense**

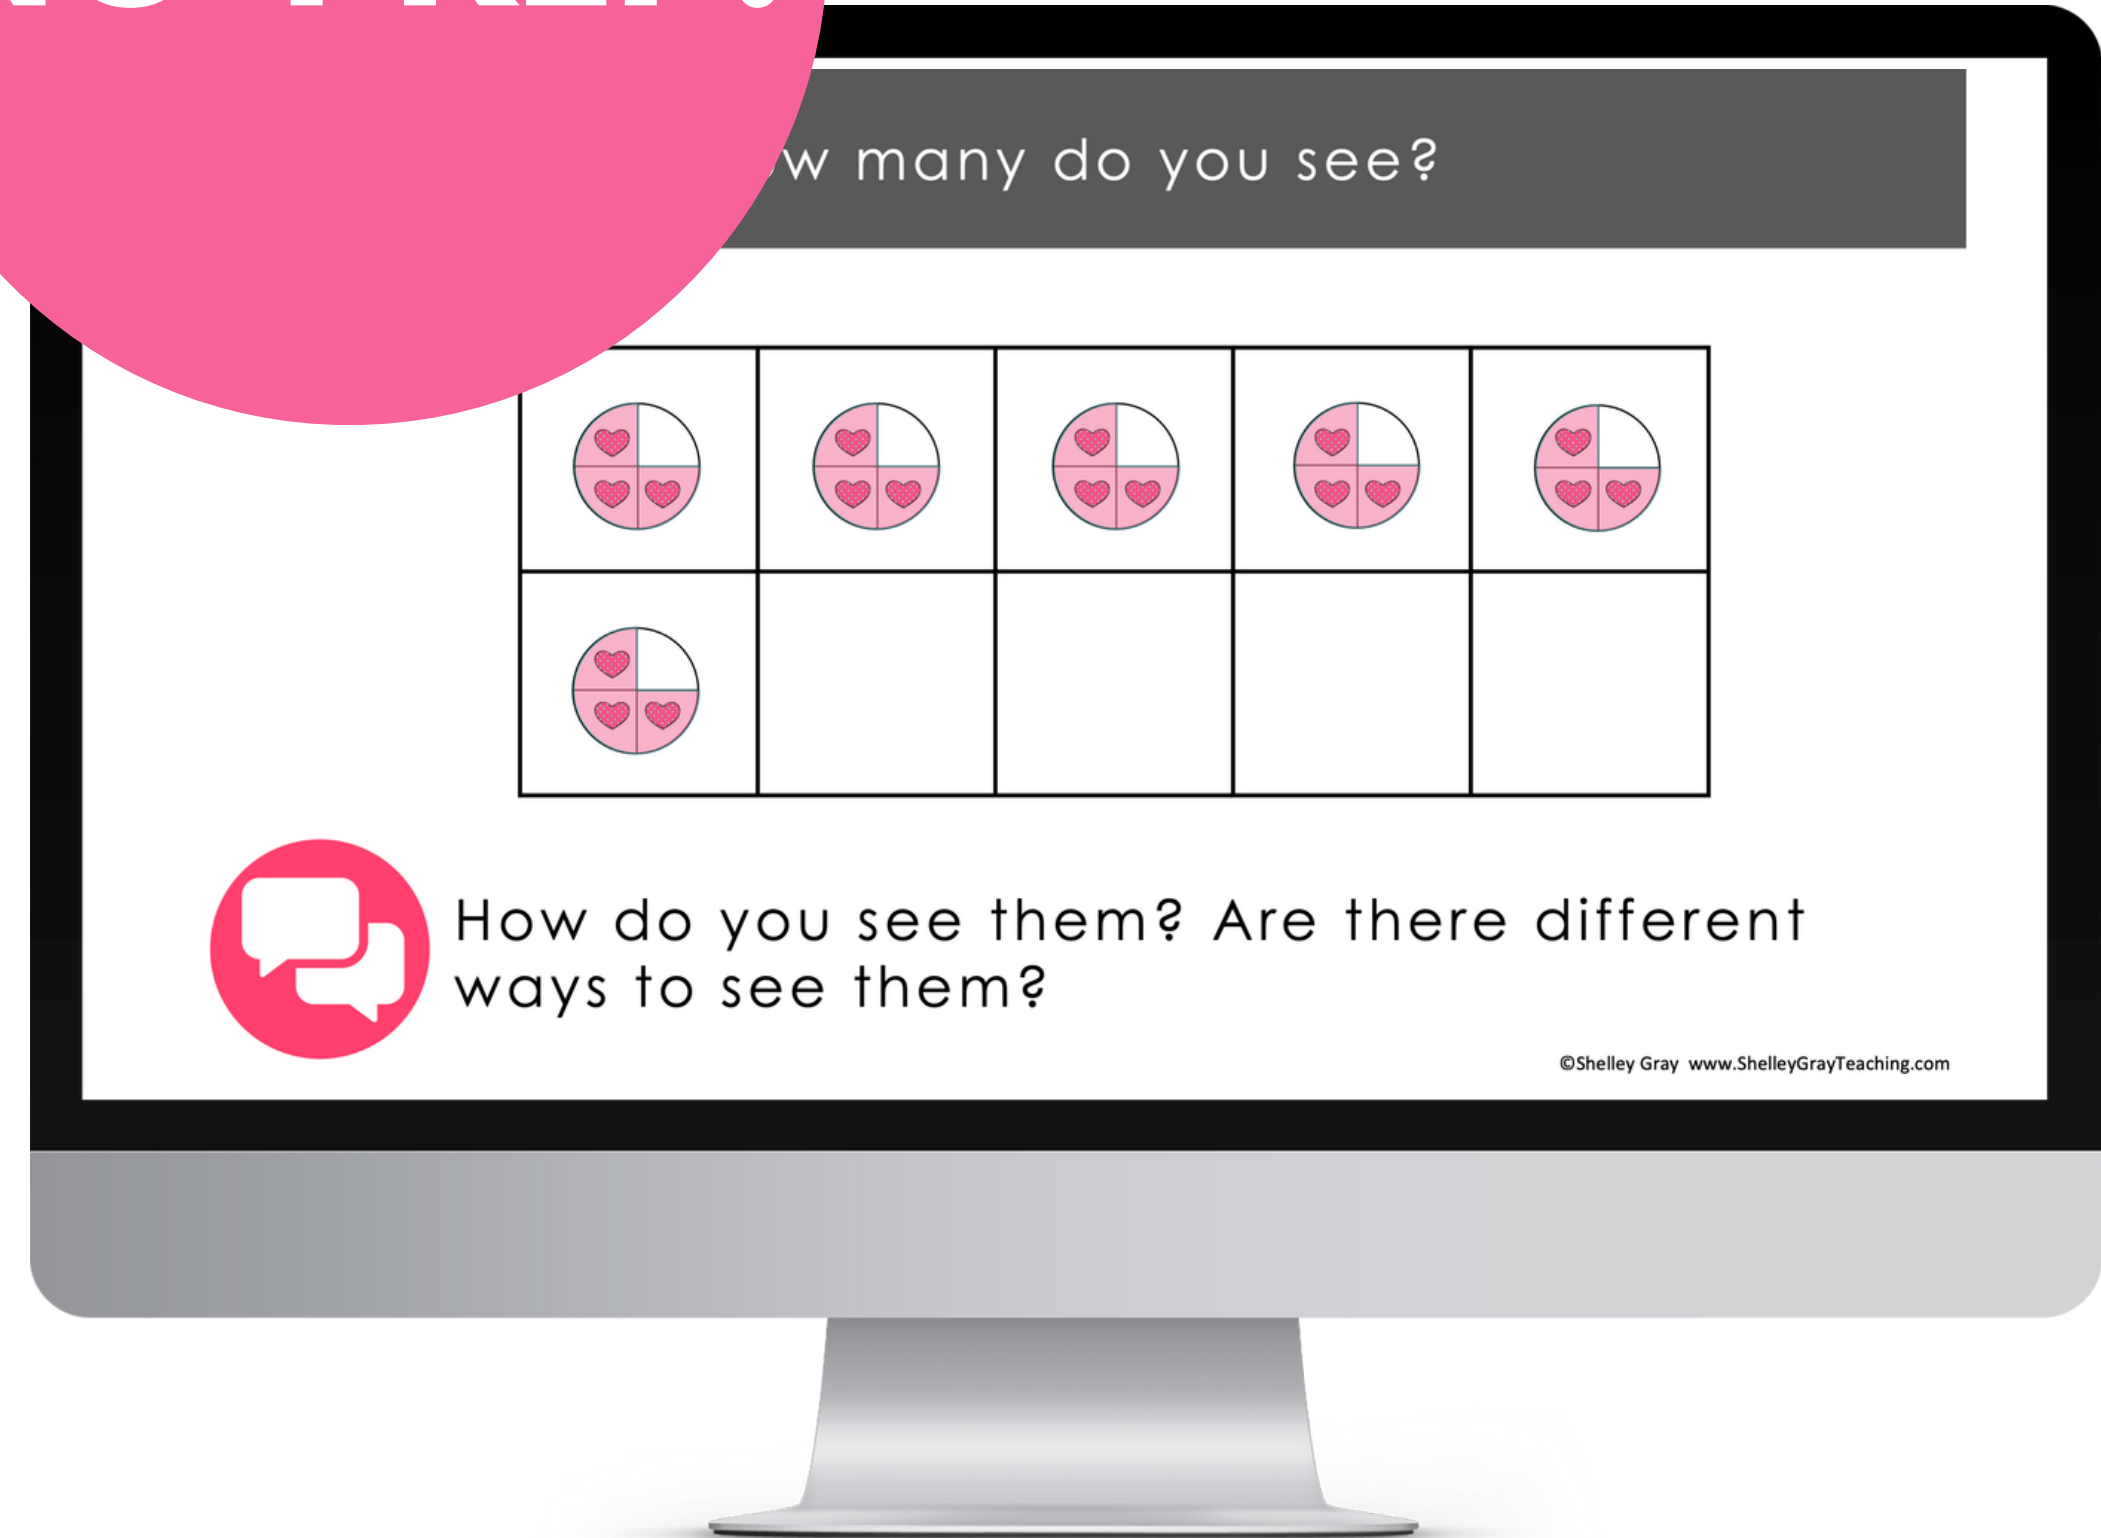

**become strategic and flexible  
thinkers**

**boost math confidence**

**with a fun Valentine's theme that will  
keep students engaged all February  
long!**

**NO-PREP!**

This resource includes **20 number talks** that reinforce flexible and strategic thinking, connections, and much more.

The main goal is to get you and your students **talking about math** and realizing that math is not all about right answers – it's about **thinking in different ways!**

The slides are completely ready to go - **NO PREP!**

Just choose a slide and discuss as part of your daily math routine or number talk this February!

Ready to  
**take the  
guesswork  
out  
of planning  
your  
number  
talk routine  
this  
February?**
