Valentine's version

of Math Conversations

Valentine's Math Conversations
is designed to help your
students:

build number sense

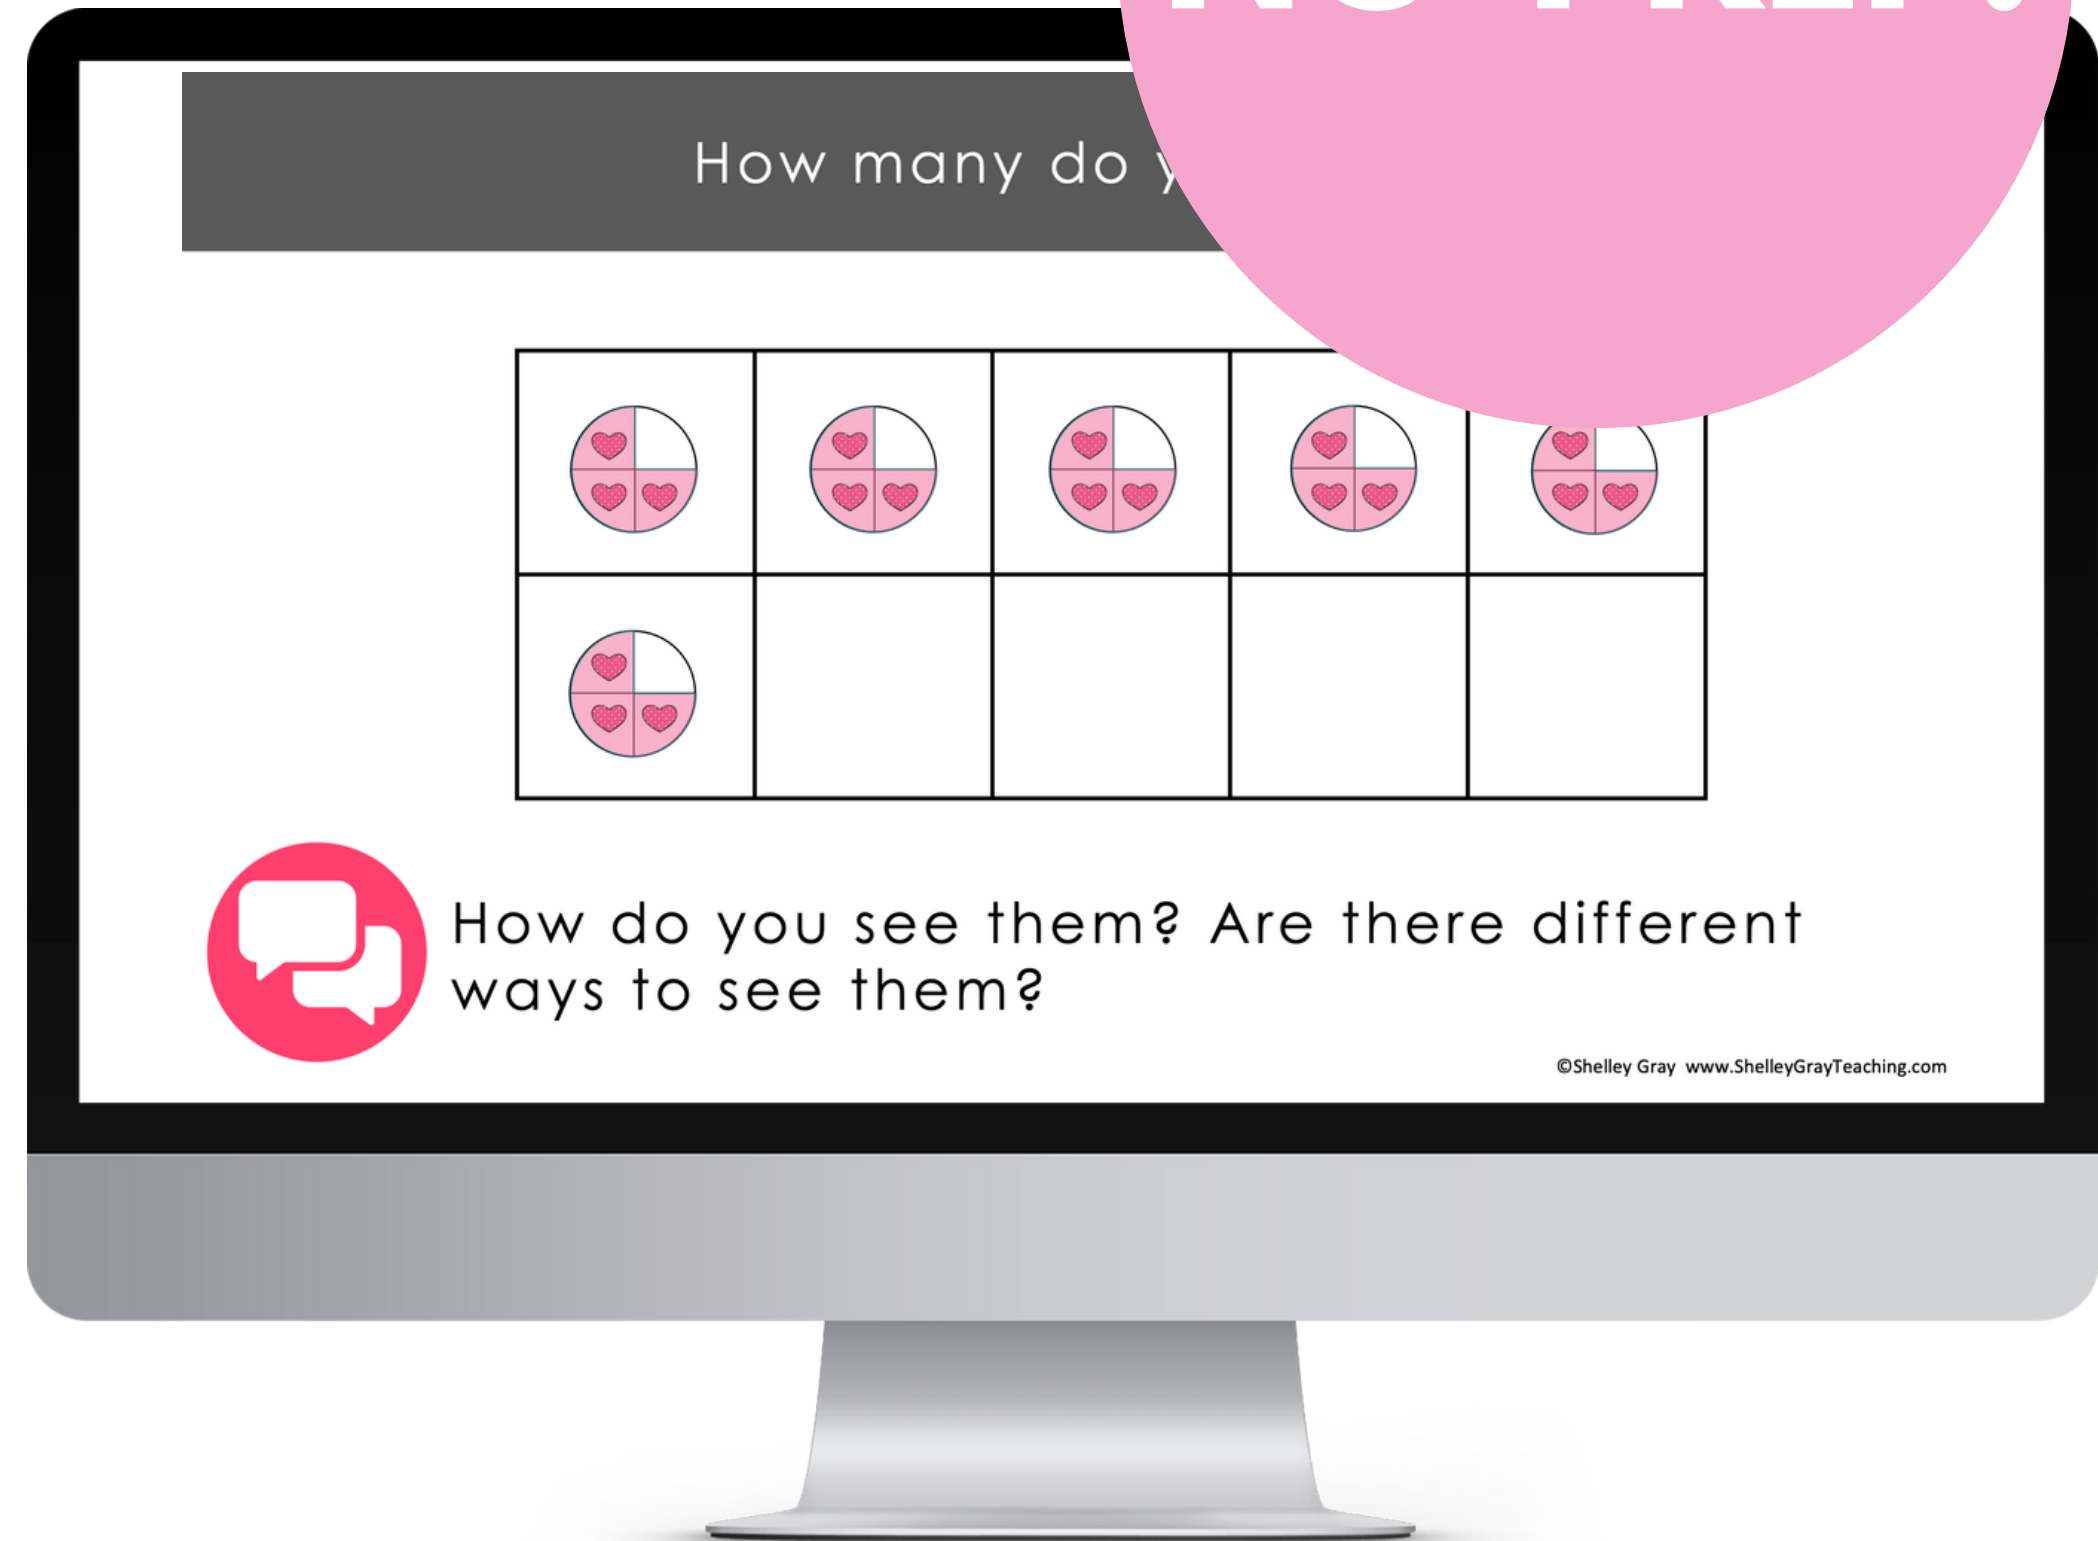

**become strategic and flexible
thinkers**

boost math confidence

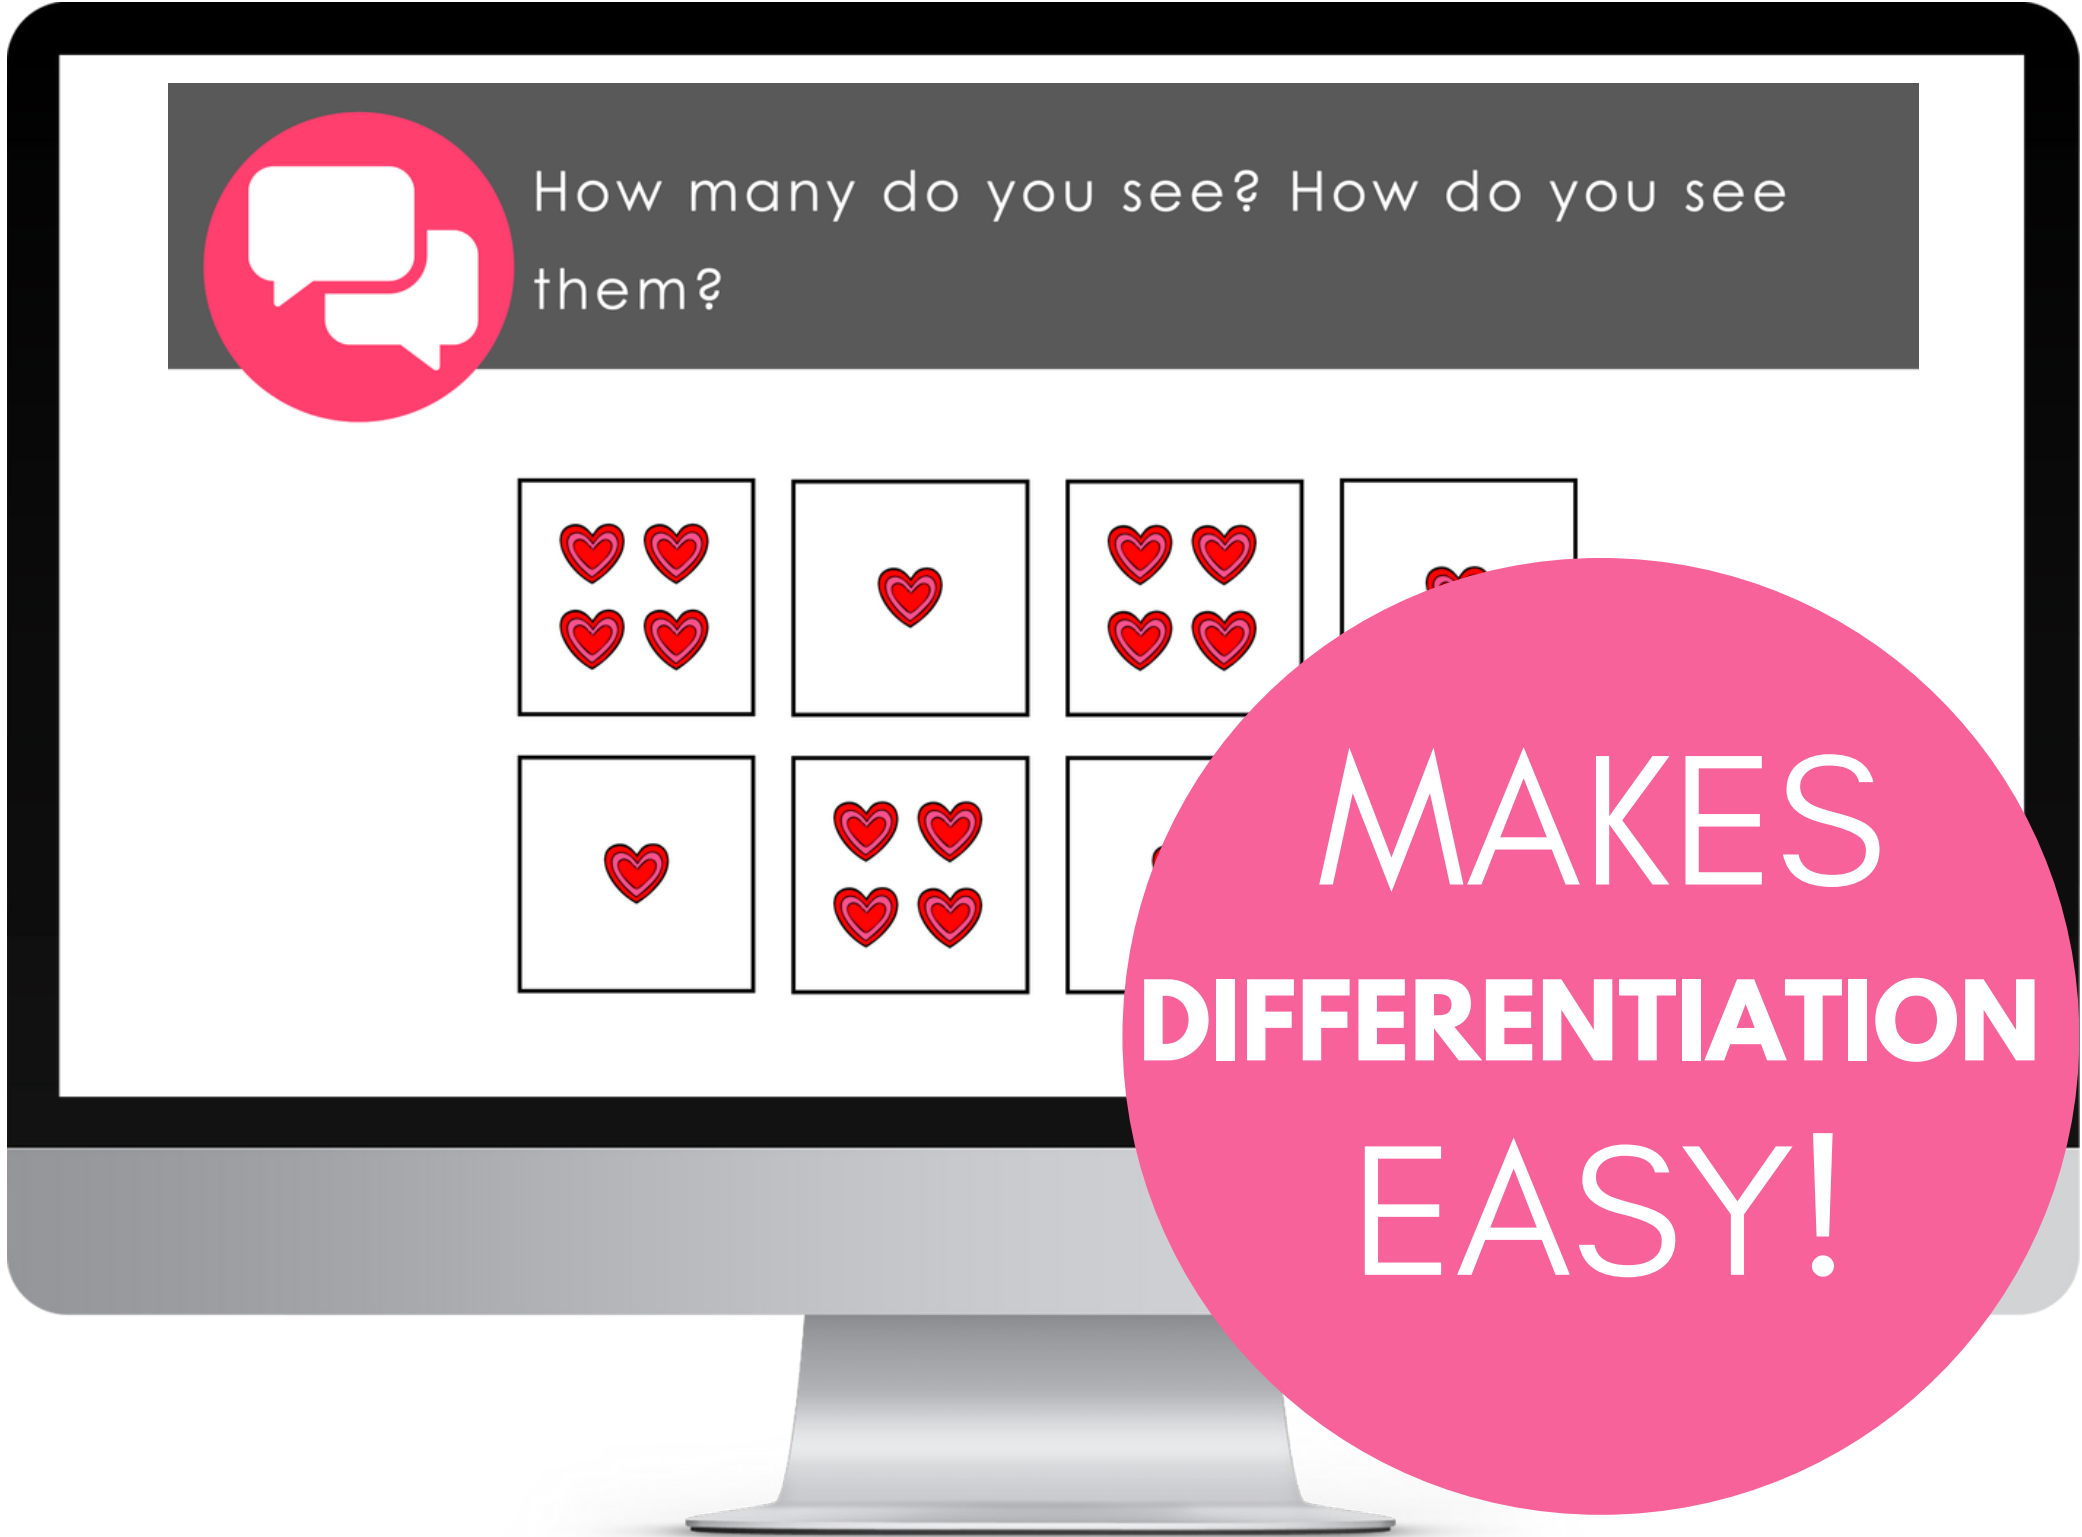

**with a fun Valentine's theme that will
keep students engaged all February
long!**

NO-PREP!

This resource includes **100 number talks (20 for each grade level from 1-5)** that reinforce flexible and strategic thinking, connections, and much more. The main goal is to get you and your students **talking about math** and realizing that math is not all about right answers – it's about **thinking in different ways!**

The slides are completely ready to go - **NO PREP!**

Just choose a slide and discuss as part of your daily math routine or number talk this February!

Ready to
**take the
guesswork
out
